Board Proposes Bond Issue, Rules on Ball Games

BOARD OF DIRECTORS AND ADMINISTRATION. FRONT ROW: Mrs. H. W. Rehder, Mr. Charles Dalton, Mr. Stewart Seidler, Mr. Gordon Spry. SECOND ROW: Mr. Sydney Thomas, Vice-President; Dr. George Hohl, Mr. William Close, Dr. Richard Wells, President; Mr. George Diestelmeier, Mr. Harold Hartman, Secretary; Mr. Ernest Barker. NOT PICTURED: Mr. Don Wenthe, Treasurer.

MR. DARRELL GRINNELL
Director of Personal and Pupil Accounting

MR. HAROLD HARTMAN
Secretary and Business Manager

Several members of the Board of Education discuss the possibilities of the School Bond issue.

The School Board acted upon several important issues. The School Bond issue, proposed by the Board of Education, was passed on October 22, 1968. West High School was allotted $100,000 for building new science laboratories and for enlarging the boys' and girls' locker rooms.

The bond issue was designed to relieve the overcrowding of schools. Both East High and West High schools had four hundred students over capacity. Orange had 250 students over capacity. A new high school will accommodate 1,250 students.

The School Board was involved in changing West High's football schedule twice after a disturbance at East High's first football game. West High played what was to be the home opener at Mason City. The East-West game was rescheduled from Friday night to Saturday afternoon following a joint ruling of the School Board and the mayor.

Mr. Burshtan, New Principal, Guides West High

Mr. Harold Burshtan assumed the job of principal this year, bringing new innovations to West. At Orientation Day, held before the opening of school, Mr. Burshtan explained to students what would be expected of them. Schedules were given to students, and changes were made that day to avoid confusion the first week of school.

Senior students having study hall first or sixth hour were eligible for an independent study program. They could spend those hours at home, in the cafeteria, in the study hall or in the library.

Mr. Burshtan's duties included promoting good will between West High and other schools, making an annual report and conducting professional staff meetings. Working with the heads of departments, he coordinated the departments and worked on improving the instruction program.

Mr. Burshtan said, "My first year as principal of West High School has sincerely been a very exciting and enjoyable challenge. Never before in my sixteen years of high school and college administration have I had the opportunity to be associated with a school which has such an excellent academic background."

Mr. Burshtan examines the editorials in an issue of *The Spectator.*

Mr. Burshtan enjoys the humor of a witty secretary.

Administrators Maintain Important Roles

MR. EDGAR
KERSENBROCK
Vice Principal

Mr. Edgar Kersenbrock and Mr. Fred Steinkamp served as administrators at West High School.

Mr. Kersenbrock's duties included heading the school Civil Defense Program, taking care of the cafeteria finance and advising the sound crew. He also served as the school disciplinarian.

Mr. Steinkamp came to West in the fall as the new Administrative Assistant. His duties included organizing assemblies, supervising independent study and advising Student Senate.

Secretaries Serve School Efficiently

Mrs. Alma Henwood, attendance secretary, and Mrs. Elizabeth Ellerman, guidance secretary, check attendance cards.

BUSINESS OFFICE SECRETARIES: Cynthia Robinson, Mrs. Juanita Hansen.

MAIN OFFICE SECRETARIES: Mrs. Betty Grange, Mrs. Gladys Miller, Mrs. Ruby Banker.

STUDY HALL SECRETARIES: Mrs. Dorothy Townsend, Mrs. Gilberta Brooks, Mrs. Jane Jackson, Mrs. Pam Farmer.

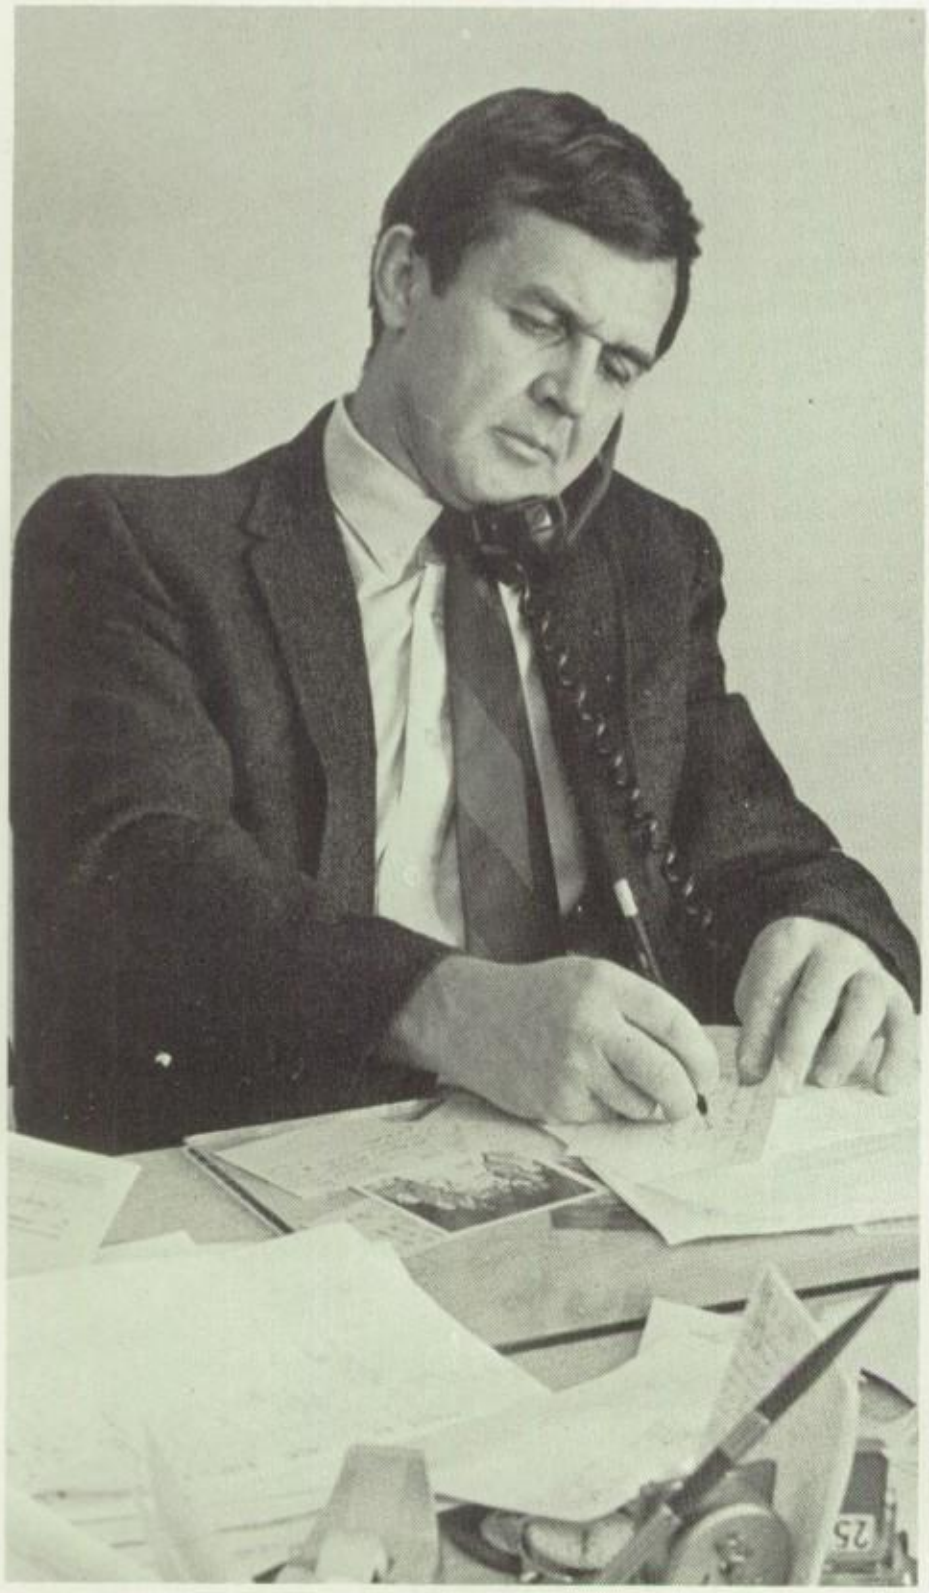
Mrs. Elno Beran, guidance secretary, alphabetizes the ITED scores.

Mrs. Elno Beran's duties as secretary of the Guidance Office included filing senior transcripts, figuring grade points, recording and tabulating service points and taking care of the Future Plans Room.

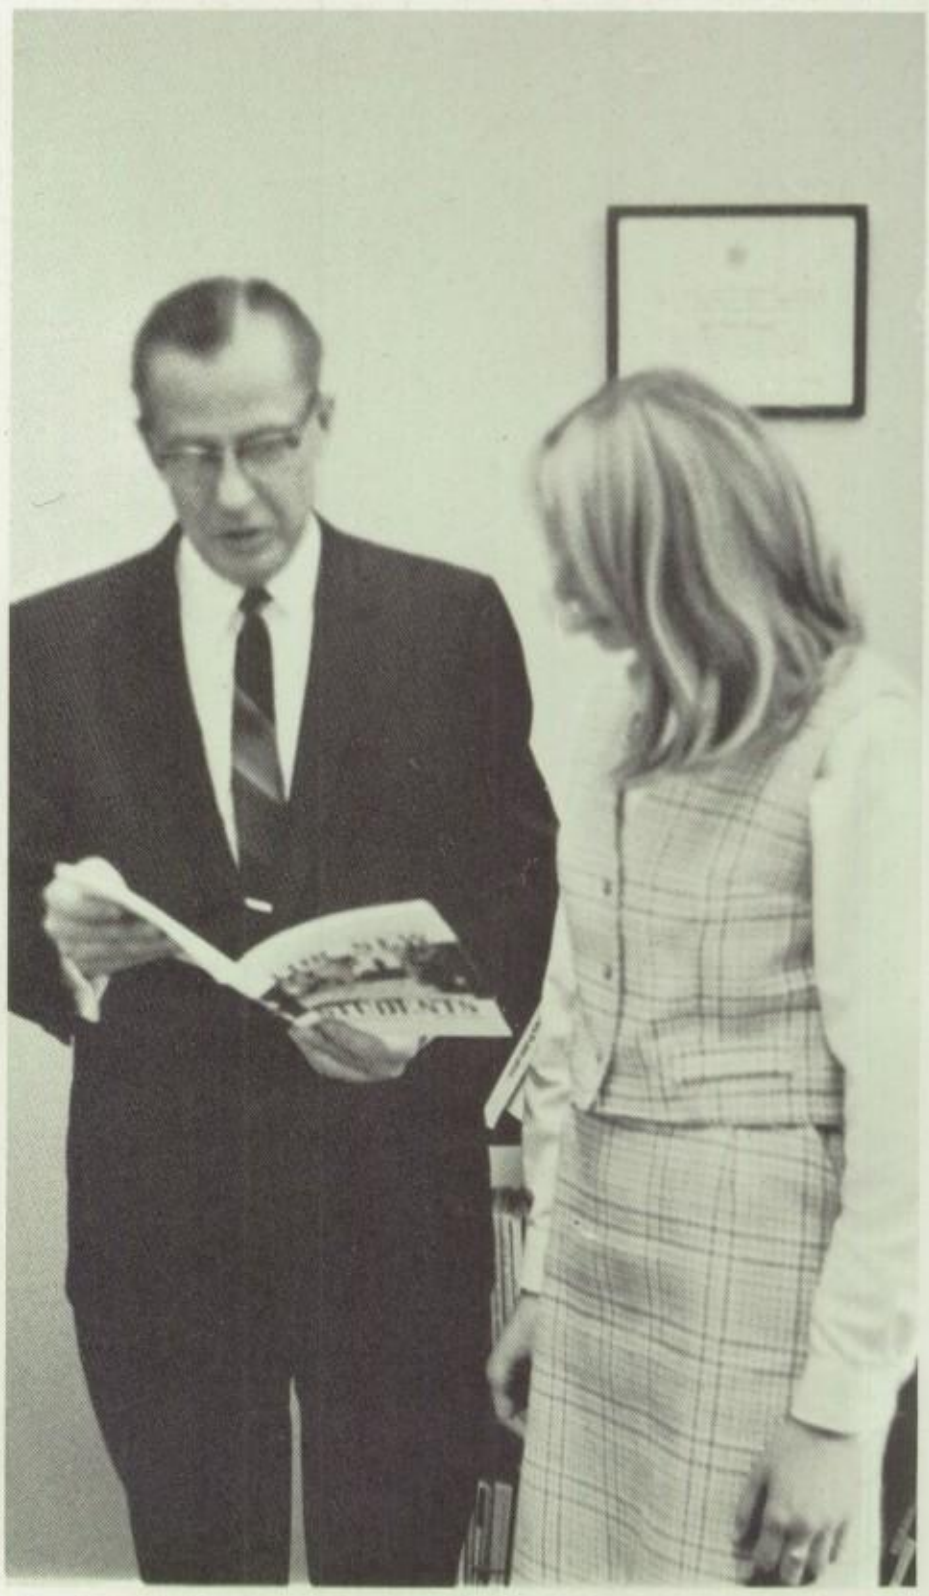
Mrs. Alma Henwood, head of the Attendance Office, checked illnesses and absences for attendance records.

A staff of three secretaries, Mrs. Betty Grange, Mrs. Gladys Miller and Mrs. Ruby Banker, helped in the organization of the school. Their duties included making medical excuses, typing the daily bulletin and keeping files.

Seven Guidance Counselors Help with



"An outside line, please," says Mr. Siddens as he calls the parents of a truant student.



Mr. Scholl discusses the possibilities of Iowa State University with Sherry Rossin.

The guidance counselors helped students prepare for the future by giving them information about colleges and careers. Counselors also helped students with personal problems.

The Guidance Department sponsored representatives from various colleges and universities who spoke about their schools.

Counselors also helped with the testing programs, sponsored the "What Job For Me Night" and helped with the open houses.

GUIDANCE OFFICE ASSISTANTS: Cinde Johnson, Sue Neessen, Marilyn Van Hoozer, Lynette Isackson, Judy Horstmann, Kathy Dietz, Sherry Rossin.

Problems, Plans and Programs

Chorus, Orchestra and Band Members

MR. TONY BACICH – Orchestra Sectionals, Instrumental Music Activities, String Activities. MR. RICHARD BAKER – Band I, Band II Sectionals, Instrumental Music Activities, National Anthem (Sporting Events), Pep Club/Assemblies. MR. VINCENT McCOWEN – Sectional Chorus, A Chorus, B Girls' Chorus, Sophomore Chorus, National Anthem (Sporting Events), Vocal Music Activities. MR. ROBERT SHAFER – Band I, Band II Sectionals, Instrumental Music Activities, National Anthem (Sporting Events).

West's Music Department consisted of Chorus, Band and Orchestra. All combined efforts to make the Evening of Music a success in February. These same groups combined with those of East High and Cedar Falls High in the production of the Tri-School Music Festival in May.

The marching band became the concert band after its appearances at the football games. Both stage and concert band presented assemblies for the student body.

West High's Orchestra, one of the largest in the state, appeared in an assembly for the students and at the fall and spring plays. It joined with the chorus in the Christmas program.

A-Chorus, B-Chorus, Girls' Chorus and Sophomore Chorus combined to present the Christmas program. A-Chorus sang for Kiwanis Club, taped a show aired over KWWL-TV December 14 and presented a fall school assembly.

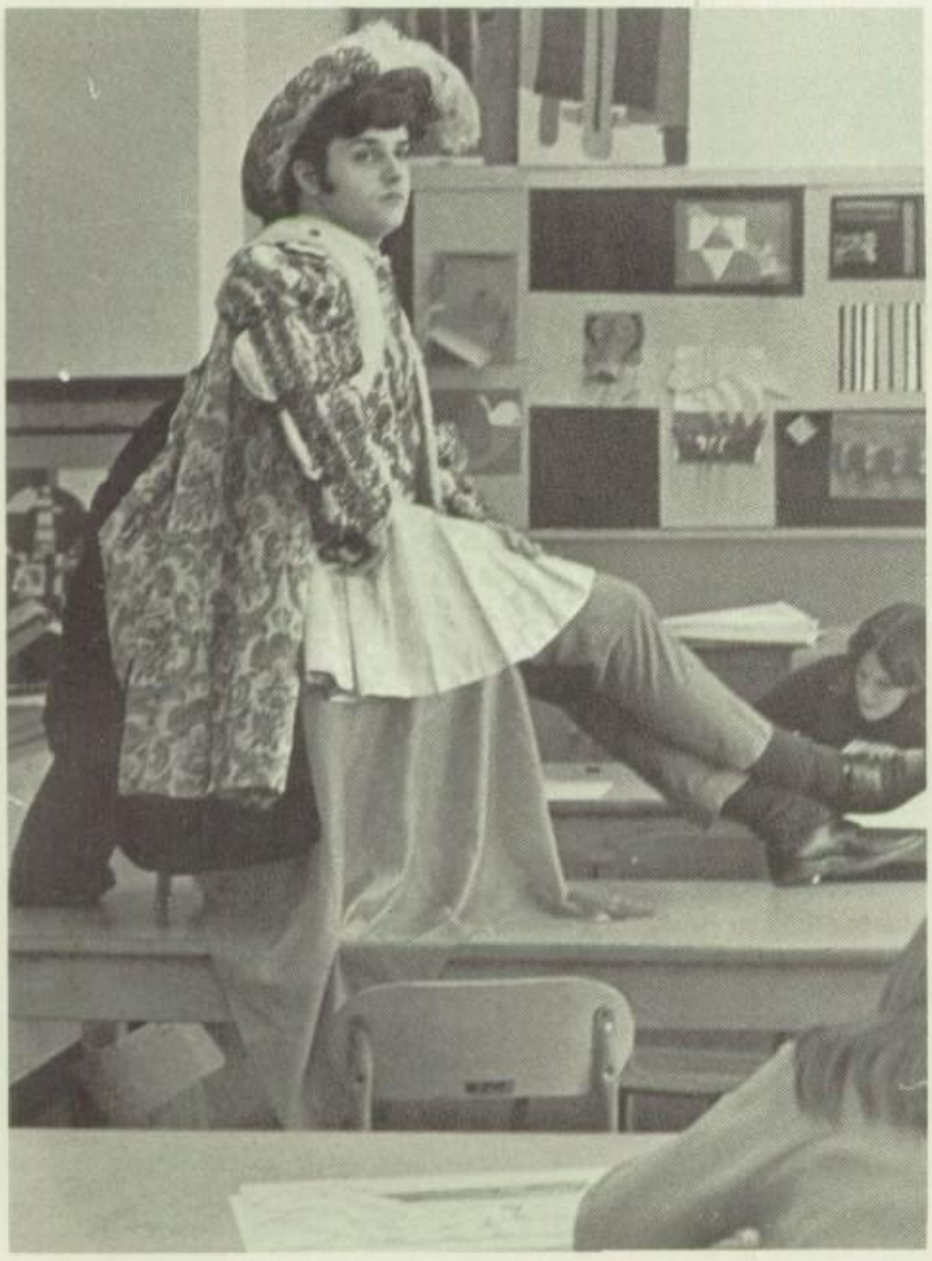
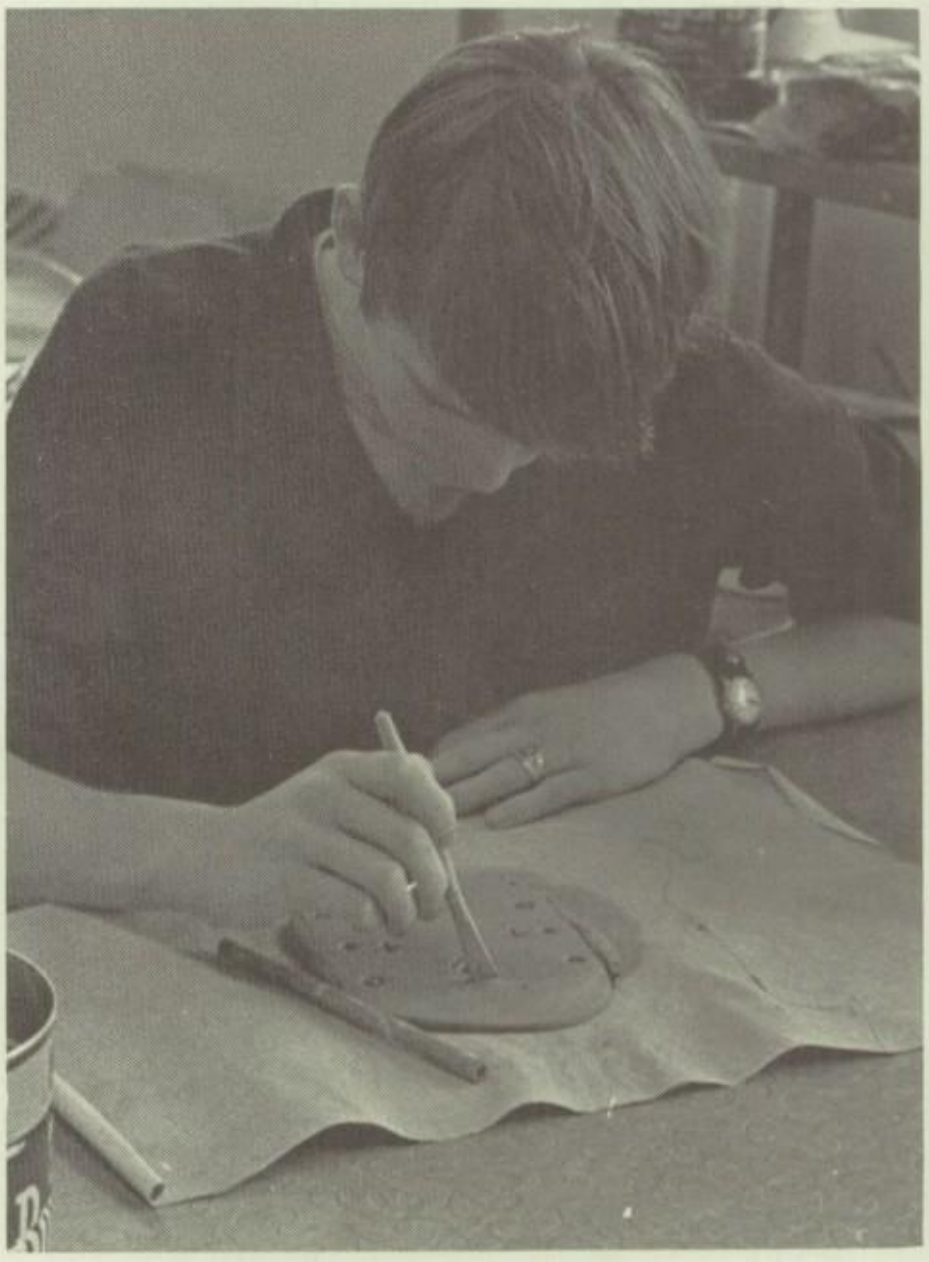
Individual Work Expresses Creative

Making pottery requires much skill.



Mr. Mike Roberts poses for his art class.



Memories of elementary school are revived.

Ability of Art Students

Creativity is expressed through the molding of clay.

Art IV, offered for the first time at West this year, was a studio course with students choosing a field of particular interest. Students selected the material or media they wanted to use and developed projects.

Several trips to the Recreation Center helped stimulate interest. The Art classes also contributed exhibits to the Recreation Center.

Classes changed instructors each semester to enable instructors to teach their specialized areas of art. Miss Daleanne Anderson taught the use of metals, clay, ceramics, wood and other sculptural materials. Mrs. Joy Buchan taught drawing and design.

A large professional kiln was purchased this year. The kiln held more objects, and more types of firing could be done than in past years.

Displays were set up at West High and at the administration building. Exhibits were changed frequently to interest more students in art.

Sets for the Variety Show and plays were created by the Art Department. Students also made decorations for Prom, Homecoming and ballgames.

Communication Barriers

In Mr. Maynard Reynold's Spanish class, the "X" on the overhead projector means Spanish-speaking time.

Mrs. Laura Stecher corrects her French classes' ALM tests.

The world is much smaller today than it was fifty years ago. To meet the change, a better understanding of other nations and people is necessary. One way of coming closer to a different culture is by learning its language. West's students had a choice of four modern languages: French, Spanish, German and Russian.

Through practice, correction and more practice, students learned the skills of reading, writing and speaking a language. Many of the second, third and fourth year classes were conducted entirely in the language. Tapes of drills, basic sentences, dialogues and stories were played in the laboratories, which were shared by the modern language classes.

Two new courses, Independent French IV and Independent German III, were introduced this year. Students participating worked independently with guidance from their instructors.

Roman culture and history and the derivation of English words were stressed in Latin II. Some of the work included oral pronunciation, but the majority of the course involved written translations covering Roman history from its beginning through Caesar's conquests.

Mrs. Marge Enos coordinates the activities of the English Department.

MRS. HELEN MEHAFFY – English II, English IV. MR. GORDON MENNENGA – English III, WEST WIND. MRS. FRANCES NESBIT – English II, Personal Recordkeeping. MRS. LINDEN RILEY – English II, English IV, Speech Activities.

Reading and writing, the basic fundamentals of English, are still included in West's curriculum today, but new methods, materials and ideas have made them more interesting and stimulating.

Sophomores concentrated on grammar, outlining and literature. Books read included John Knowle's A SEPARATE PEACE and Charles Dickens' A TALE OF TWO CITIES. Shakespeare's JULIUS CAESAR was studied.

Gaining a firm understanding of their national literature, both prose and poetry, was the main task of juniors in English III classes. Literature read included THE PEARL by John Steinbeck, THE SCARLET LETTER by Nathaniel Hawthorne, THE RED BADGE OF COURAGE by Stephen Crane and OUR TOWN by Thorton Wilder. Other projects included mass media notebooks and a free reading unit.

Senior English Classes studied English literature. Shakespeare's MACBETH and HAMLET, Bernard Shaw's PYGMALION, Thomas Hardy's THE MAYOR OF CASTERBRIDGE and Sophocles' OEDIPUS REX were read. In preparation for college work, seniors completed two term papers.

Independent English was also offered for college-bound students. In this class students worked independently and reported their findings to the class.

Another course offered to seniors was Communication Arts I. Giving speeches, studying grammar, writing business letters and practicing filling out job applications were units included in the course.

Journalism ½, Advanced Composition ½ and Speech ½ were courses which enabled a student to delve deeper into the field of his choice.

ENGLISH OFFICE ASSISTANTS. FRONT ROW: Julie Gray, Judy Johnston, Jeanne Lessman, Linda Doubek, Robyn Bardsley. ROW TWO: Mary Shaw, Debbie Mennenga, Claudia Johnson, Marian Easton, Lois Barakat, Cindy Garrison.

Social Science Probes Past and Present Problems

"Who so neglects learning in his youth, loses the past and is dead for the future," was once said by Euripides, a great Athenian dramatist. The Social Studies Department attempted to solve the problem of learning by offering both elective and required courses.

In order to graduate a student was required to include American History and Government in his schedule. The course promoted an understanding of the heritage of America by illustrating the history and principles of our federal and state governments on all levels.

World History I provided background for college-bound students and trained them for effective citizenship. The course began with a study of the prehistoric world and outlined the history of the world to modern times.

Other elective courses included Senior Social Studies I, World Geography ½, American Government I and Economics I. Senior Social Studies I centered on a problem approach to social conditions of today. World Geography ½ taught students existing geographical patterns and the influence of these patterns. Students learned the significance of their guaranteed rights and acquired knowledge of political systems in American Government I. Economics I stressed economic activities in America and other nations including methods and techniques of production and consumption.

Mrs. Barbara Reese types a test for a history class.

Mr. William Quick has the pleasure of correcting a pop quiz.

MR. VICTOR ARGOTSINGER – American History and Government, Cross-Country. MR. LARRY DICK – Senior World History, Varsity Basketball, Girls' Golf. MR. WILLIAM QUICK – Independent American History, American History and Government.

Mr. Victor Argotsinger gives a lecture to the big class in American History.

Two ambitious students, Dave Rash and Ted Forsberg, brush up on history during lunch hour.

Mrs. Alice Maricle performs the clerical duties necessary to the functioning of the Math Department.

MISS VIOLA SMITH – Head of Math Department, Math V, Math Club.

In Memoriam

Miss Viola Smith taught math at West for 24 years, was supervisor of mathematics for the Waterloo Community School District and chairman of the West High Mathematics Department. She was a dedicated teacher who believed in perfection and instilled that philosophy in her students. Miss Smith died February 10 while teaching her Math V Class.

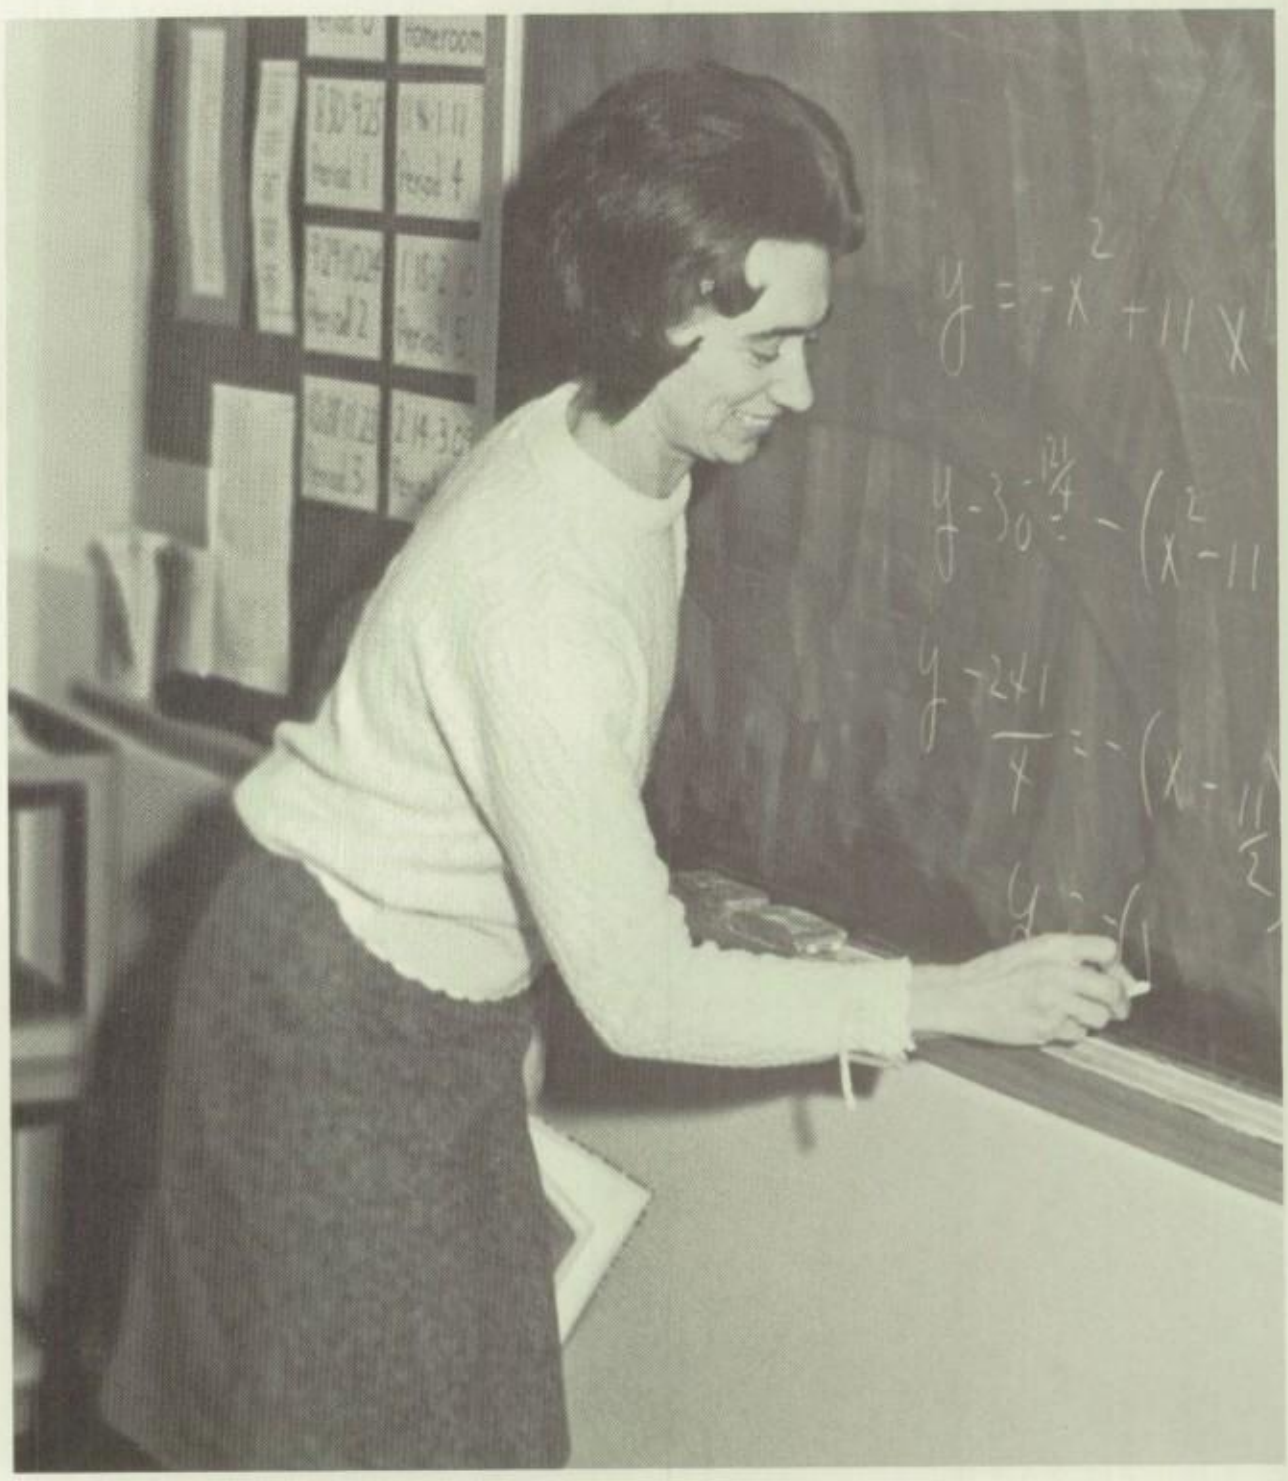
Mathematics Motivates Inquisitive Thinking

The Math Department offered a wide variety of courses this year. Each course was designed for a particular kind of student with a particular kind of future. Graphs, functions and variables were involved in math classes from Algebra I to Math V.

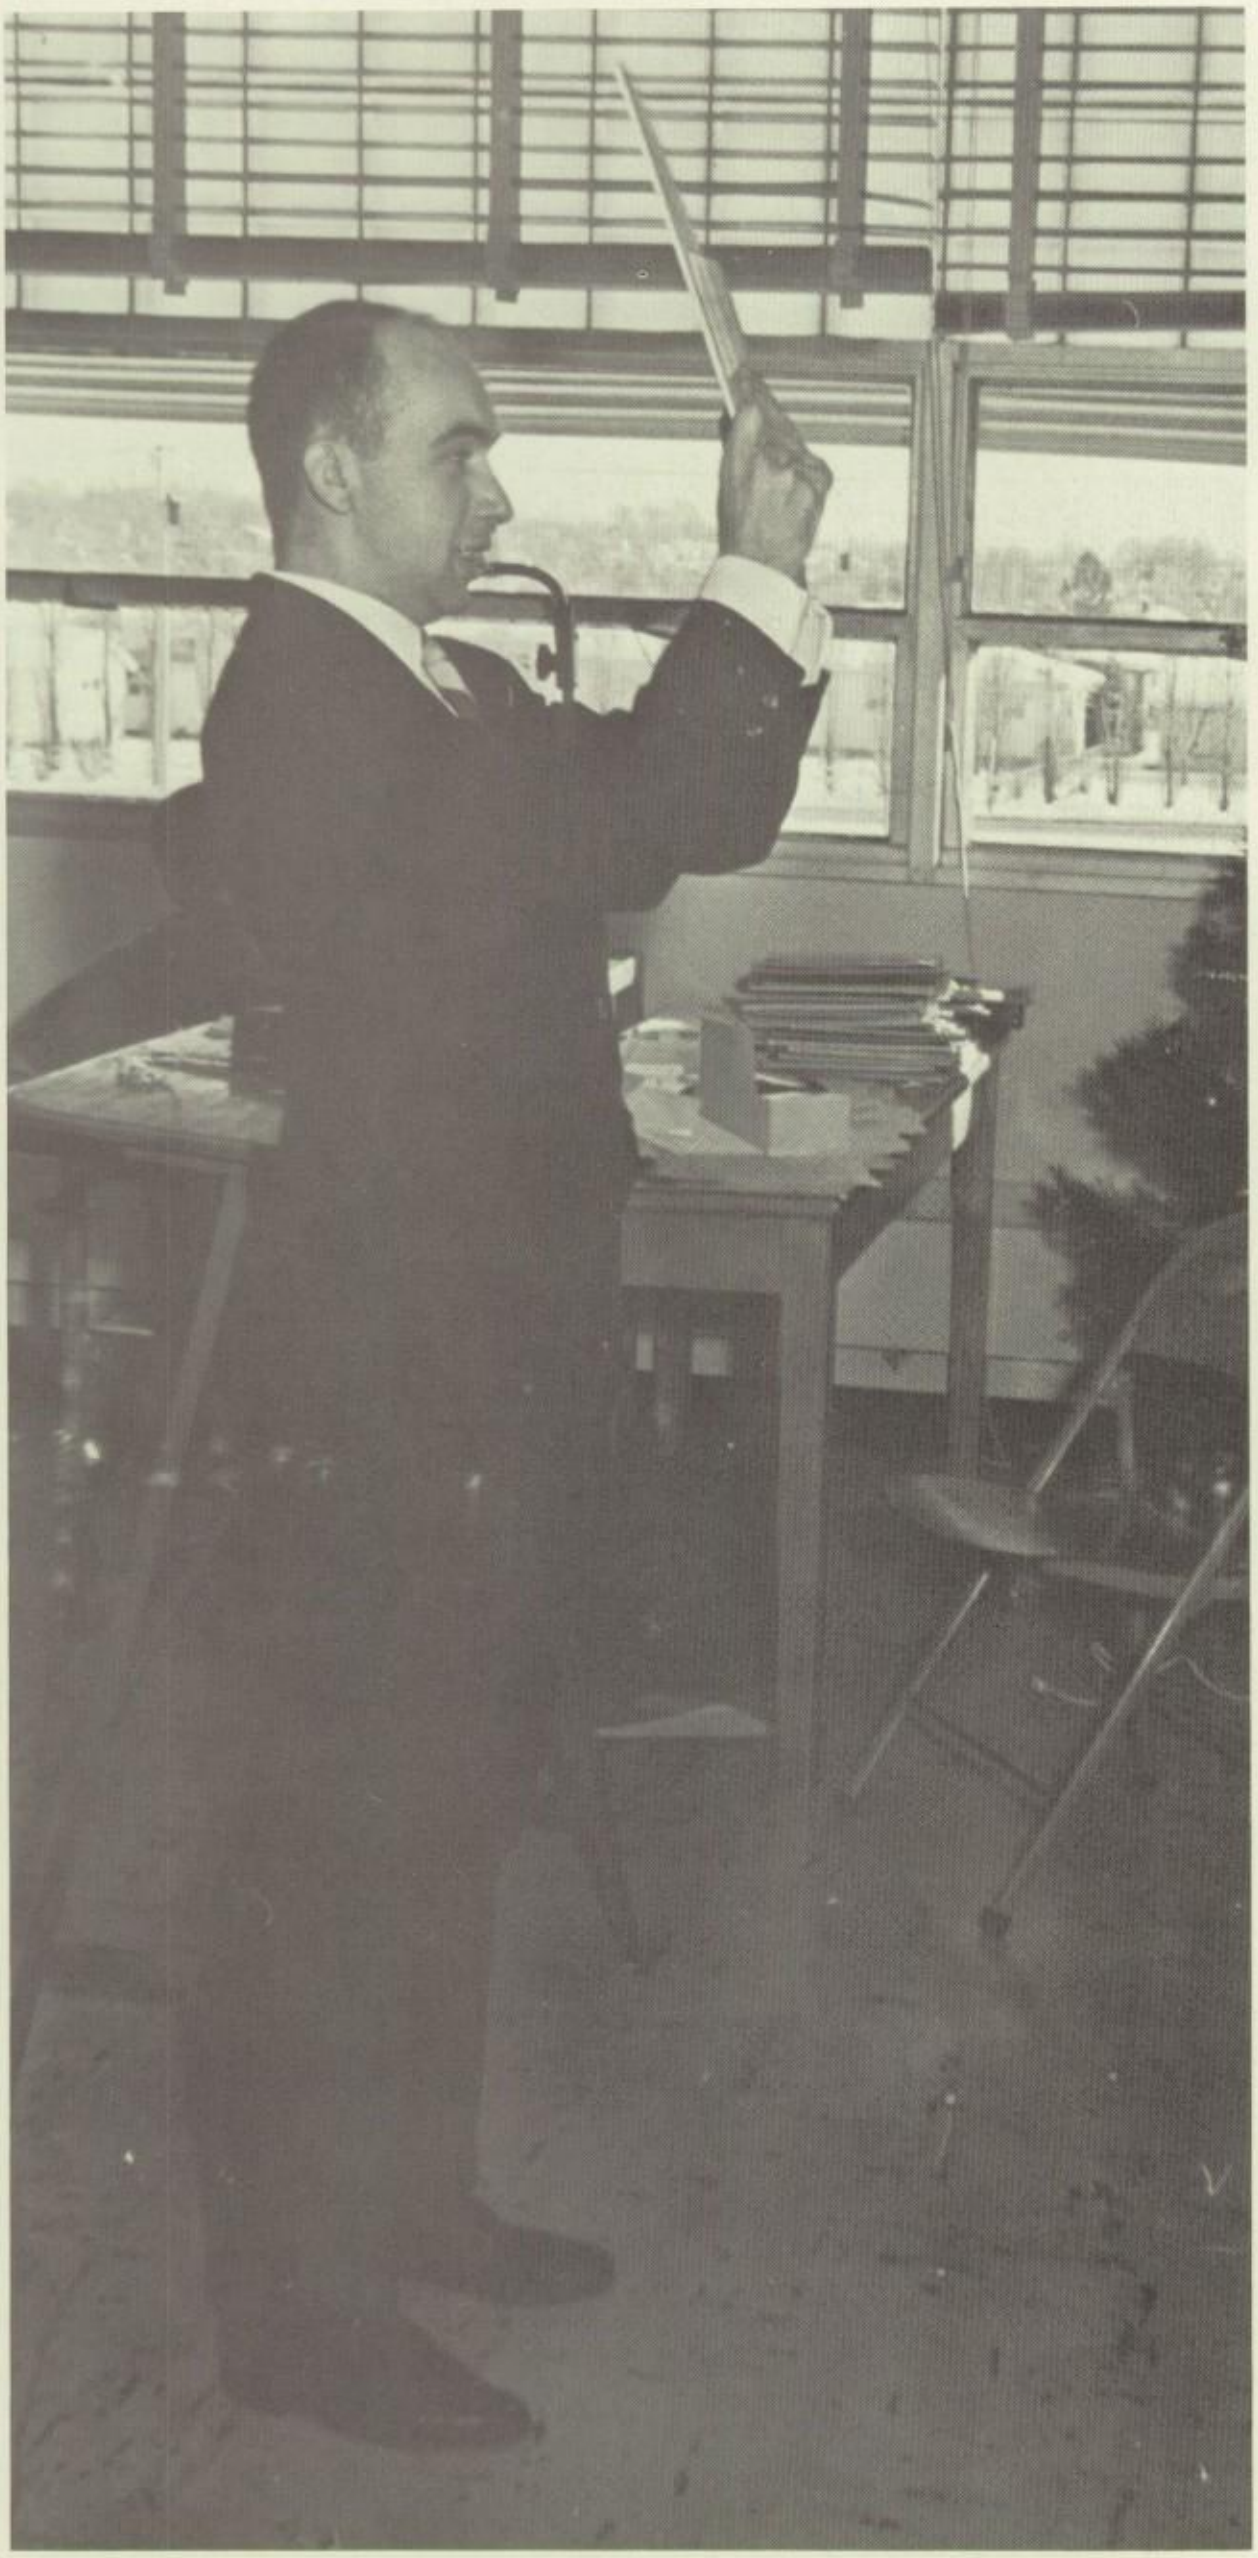
Algebra I and Geometry provided a basis for higher math courses. Algebra I dealt with proofs and algebraic expressions. Geometry was a study of two and three dimensional geometric forms. Algebra II developed math skills to a higher degree.

Topics of discussion in Math IV included analytical and solid geometry and trigonometry. Math V examined probability and statistics along with elementary functions.

For students not following the sequential program, foundations of Mathematics II and Consumer Mathematics ½ were offered.



Mrs. Patricia Harper explains a problem to her Algebra II class.



Mr. Robert Tracy is not throwing objects at unruly students, but is testing probability.

MR. DONALD BESSMAN – Foundations of Math, Algebra II, Chess Club. MR. HARRY BURKES – Geometry, Algebra II, Varsity Baseball. MR. WILLIAM CAREY – Consumer Math, Algebra II, Senior Independent Study, Swimming. MR. KENNETH CAQUELIN – Algebra II, Math IV, Building Representative. MRS. PATRICIA HARPER – Math IV, Algebra II, Drill Team, Junior Red Cross. MR. CLARENCE MC CONKEY – Foundations of Math, Geometry, Drill Team, Future Teachers of America. MR. GORDON TJELMELAND – Geometry. West's science curriculum attempted to prepare students for living in a complex society with its revolutionary changes. Physical Chemistry, Biology, Science V and Physical Science provided a challenge for all students.

Instead of using a Physics Experiment Workbook, physics students were challenged to think for themselves by using their own procedures. Students were also required to keep a notebook of problems.

Balancing chemical formulas, learning atomic weights and numbers and working with chemical reactions were only a few of the areas covered in Chemistry. To insure safety in the laboratory, students were required to wear safety goggles.

Through study, discussion and lab, students learned the structure of living things in Biology. Students dissected worms, frogs, crayfish and fetal pigs—then examined smaller organisms under the microscope.

Physical Science was a general course offered for students wishing to probe into diverse areas. Geology and meteorology were subjects studied in the class.

The worlds of chemicals, plants, animals and mathematics served as subjects for experimentation in Science V. Students dissected a cat, analyzed its anatomy and completed individual projects on growth factors and genetics.

MRS. LINDA HOEL – Special Home Economics, Young Adult Living, Home Economics II, Senior Caps and Gowns.

MRS. KAREN MILLER-Foods, Home Economics II, Costume Properties.

The goal of the Home Economics Department was to reach as many girls as possible. The Department offered a variety of courses this year. Home Economics II and Special Home Economics were offered again along with three new courses: Young Adult Living, Foods and Clothing.

Home Economics II discussed family relationships, foods, clothing, home nursing, child development and housing.

Seniors with no previous Home Economics took Special Home Economics, a comprehensive course. This course covered topics discussed in Home Economics I and Home Economics II.

The three new courses: Young Adult Living, Foods and Clothing were created to meet the needs of the contemporary girl. These one-semester classes provided an opportunity for greater-depth study in each area.

Contests sponsored by the Home Economics Department included the Betty Crocker Homemaker of Tomorrow, Make-It-Yourself-With-Wool, Youth Power and Flower Arrangement competitions.

MISS LUCILLE NASH – Personal Typing ½, Shorthand, Alumni Files, Costume Properties, Welfare Committee. MRS. SOLANGE NORTH – Business Law ½, Office Practice I.

To prepare Wahawks for jobs after graduation, West High offered many business courses. These courses aided students both personally and vocationally. Personal Typewriting ½ and Recordkeeping ½ were helpful to students in the other classes.

Office Practice I developed numerous skills. These skills included typing, filing and telephoning.

Business Law ½ gave students a general background in the rights of citizens and businessmen. Teaching the principles of the selling of goods and services was the objective of Salesmanship ½.

The vocational office program was divided into two parts—clerical and secretarial. In the clerical sequence, students enrolled in Typing I, Bookkeeping I and Office Practice I. The secretarial student took Typing I, Shorthand I, Bookkeeping I and Office Practice I.

West's Industrial Arts Department Teaches Trades,

Learning the symbols, methods, and conventions needed to graphically represent the architect's ideas in the construction of a building, students studied Architectural Drawing I and II.

Woodworking skills and information were offered in Woodworking I, Woodworking II, and Vocational Woodworking. Vocational Woodworking Classes made several worthwhile projects this year.

Electricity-Electronics I taught students a basic understanding of electrical principles, procedures and techniques.

Students applied the problems of the machine designer, the toolmaker, the pattern maker and the machinists in Machine Drafting I and II. Mechanical Drawing I gave a background in the industrial language of drawing.

Vocational Metals taught students skills in the area of machine tools, foundry, arc welding, oxyacetylene welding and blue-print reading. Students studied tools and materials basic to the metalworking industry in General Metals I.

One semester was devoted to the study of the production of power by various engines and one semester to the study of the automotive internal combustion engine in Power and Auto Mechanics I.

West High Students Earn and Learn Through

Over one-fifth of the senior class at West High School learned a vocation through the cooperative efforts of the school and the community this year. The Cooperative Part-Time Education Department coordinated the students' classwork with their vocational objectives. Five areas of employment were open to seniors.

In the Nurse Aide Education, coordinated by Mrs. Arletta Kober, pre-nursing students were employed at local hospitals for four-hour shifts. Physical therapy and laboratory technician training was also available to students.

Through the Office Education program, students with a career objective in a business area gained valuable experience in stenographer work, data processing and office machine operation. Mrs. Kober was in charge.

Distributive Education, coordinated by Mr. Miles Tyler and Mr. Allen Cormaney, provided instruction in distribution and marketing of goods and services. Distributive occupations were found in retailing, wholesaling, manufacturing, storing, transporting, financing and risk bearing.

Preparing students for more advantageous full-time employment in a trade or industrial occupation was the purpose of Trades and Industrial Education. In this section students received part-time, on-the-job instruction and training. Mr. Thomas Arthur was in charge of the program.

Food Services involved local restaurants, hospitals, hotels, nursing homes and the school. Students attended school in the morning, worked during lunch and returned to school.

Physical Education Emphasizes Fitness

The Physical Education Department worked to make each student physically fit. At various times during the year students took physical fitness tests to indicate their development. Both boys and girls participated in the President's physical fitness program. Students were required to take two periods of gym each week; students who had not optioned out were required to take swimming once a week.

Girls' Physical Education Classes developed skills in speed ball, field hockey, tennis, basketball, archery and volleyball. Other activities included folk dancing, marching and track. After-school activities included inter-mural volleyball tournaments.

After warm-up exercises boys' Physical Education Classes participated in flag football, volleyball, basketball, wrestling and tumbling. They also worked out on the parallel bar, participated in track and field events and played softball and tennis.

A new section added to Physical Education this year was Health. Boys took it once a week for eighteen weeks, and girls took it twice a week for nine weeks.

Driver Education Puts Youth Behind the Wheel Safely

Many students, wanting to receive their driver's license before the age of 18, took advantage of the drivers' education program to meet the Iowa law requirements.

Classroom work taught students laws and rules that apply to driving. Drivo-trainers, simulated autos "driven" while watching a behind-the-wheel movie, helped students develop driving skills before they spent three hours behind the wheel of one of the cars furnished by local dealers.

To receive his temporary driver's permit, a student had to pass all three phases of the course.

Library Strives for an Academic Atmosphere

MISS MARY WORDEHOFF
Librarian

MRS. ELIZABETH MAURER
Assistant Librarian

Students noticed a change in the library this year—a more professional atmosphere. Having no scheduled study halls in the library made it possible for teachers to bring in their classes, leaving ample room for committees, teachers, conferences, and individuals wishing to use library facilities. Students wanting to use the library were required to check out of study halls and into the library.

New files with twelve drawers instead of nine were added as well as new counter-height shelving. There were four new sections of carrels, each containing four study areas, making a total of sixteen new carrels in the library.

MRS. MILDRED SHELDAHL Nurse, Future Nurses.

Nurse Fights Germs and 'Illness'

One of the duties of West's nurse was to decide just how ill a student really was. Forty to fifty Wahawks came to her office each day with complaints of aches and pains. Common maladies were headache's, earaches, toothaches, warts and "a test next hour."

Other duties included checking eyes, administering Heaf Tuberculin Tests and keeping medical records for all the students. Mrs. Sheldahl also discussed health with Home Economics and Physical Education Classes. She sponsored the Future Nurses Club, which was open to girls interested in a medical career.

Six girls assisted Mrs. Sheldahl in the office. A nurse aide came to help her every four weeks.

Students needing financial aid for glasses were referred to the Quota Club. The nurse also recommended students to other associations which provided for their needs.

Staffs Perform Special Services and Daily Duties

Indispensable services were performed by the cooks and maintenance department members everyday to keep West functioning smoothly.

By eight o'clock each morning, West's cooks filled first floor corridors with tantalizing odors of baking pies and cakes for the lunch period. Always friendly toward students, these ladies always did their best to please the whole student body.

"Helpful" seemed to be an appropriate adjective for the custodial staff. While the janitors had specific jobs of keeping West's grounds neat and trimmed, shoveling snow, taking care of lights and setting up the bleachers in the boys' gym for the winter sports, they were always willing to help students with individual problems.

wore Thursday, and the Pow Wow that night.

At the Pow Wow, the varsity cheerleaders gave a skit, a take-off on "The Wizard of Oz." Mary Armstrong, Nancy Boyd, Becky Brody, Sherry Robin, Connie Schmitz, Janet Smiley, Linda Smith, Barb Starkey and Nancy Swisher, the nominees for the Wahawk princesses, were presented. Minutes later, four happy girls, Mary Armstrong, Becky Brody, Sherry Robin and Nancy Swisher, walked up the aisle to begin their reign over the Homecoming festivities.

The predictions and cheers made by Mr. William Gibson, former principal, Coach Dan Boals and captains of the football team at Friday's pep assembly had become a reality.

Students proceeded to the West High gymnasium for the victory dance while the Wahawk Indian looked down proudly.

Pep Clubs Raise Voices in Volume for Victory

Girls' Pep Club took on a new responsibility this year. Along with Varsity Club, they sold coffee, pop and sandwiches during football games, basketball games and wrestling meets.

A float built by Pep Club and financed partially by Student Senate added color to the Homecoming activities.

At the East-West football game members sold balloons to the fans. These were released at the kickoff to symbolize victory.

Showing endless spirit, girls attended pep breakfasts early Friday mornings before the football games.

Creative posters and locker decorations seen in the halls urged the teams on to victory.

Seated in reserved sections at pep assemblies, the girls continued to wear their navy blue blazers.

The needed masculine volume was added to the cheering section by WHOMCASS, West High Organized Male Cheering and Social Section.

Bleacher, Light, Sound Crews Function Behind Scenes

The light crew, under the direction of Mr. Edgar Kersenbrock, provided special lighting effects for the Student Center, school dances and Prom. Members lighted the plays, Christmas Program and Variety Show. The crew rewired and relocated stage lights and spots, and selected colors for special effects. Control of the light panel behind stage and manual operation of balcony spots were also duties of the crew.

The sound system for programs in the auditorium and athletic events in the gym was provided by the sound crew members. They set up microphones across the stage for the Variety Show. Mr. Robert Hare served as faculty advisor.

Mat and bleacher crew was responsible for pulling out bleachers for winter sports events. Members moved wrestling mats before and after meets.

Stage crafters, students from vocational workshop, provided settings and props for plays and Variety Show. Mr. Wesley Sodergren and Mr. Julian Olson were faculty advisors.

Flagtwirlers, Drill Team Create Colorful Routines

Working very hard to create imaginative routines, the varsity flagtwirlers entertained fans during the football games. The flagtwirlers, wearing red and gold uniforms, kept in step with the marching band.

The flagtwirlers helped the cheerleaders lead the student body in song during basketball games and pep assemblies and performed routines.

Judged on rhythm, pep, past citizenship record and smile, three sophomore flagtwirlers and an alternate were chosen in December.

Drill team, composed of sixteen girls and four alternates, was chosen on the basis of coordination, smile, rhythm and appearance. Under the direction of Mrs. Patricia Harper and Mr. Clarence McConkey, the girls practiced every Tuesday and Thursday at 7:30 a.m. in the girls' gym.

The Westettes, wearing black velvet outfits, livened half-time at basketball games with dance steps, kicks and marching drills.

From Football Field to Concert Stage,

Known for its snappy stepping and clever formations, West's Marching Band again brightened the football field at halftime. Members traveled to Newton for a guest appearance at the West-Newton football game. Drum majors were Mariellyn Erickson, Barb Hoover and Becky Cook.

The Concert Band gave an assembly for the student body in December. Members also performed in the Tri-School Music Festival and the Evening of Music. Chorus and Orchestra join to produce the traditional Christmas Program.

Songs and Music Ring Out at Christmas Program

The orchestra and combined choruses entertained the student body in the annual Christmas Program. Mr. Vincent McCowen directed the chorus and Mr. Anthony Bacich directed the orchestra.

Soloists were Norma Steege, Dan Bergen, Don Young, Tony Wiles and Brenda Lowcock. Girls' double quartet, senior girls' sextet, junior girls' sextet, boys' quartet and junior girls' quartet also sang Christmas selections.

The eight Swiss bell ringers appeared on stage with a new bell in each gloved hand to play Christmas carols. Bells were donated by Shirey's Cement Company.

The orchestra played "Christmas Fantasy," a medley of Christmas songs, and "Carol Medley" was sung by the choruses.

The finale, Handel's "Hallelujah Chorus," was sung by the choruses with orchestral accompaniment.

Plays Delight Audiences with Comedy and Drama

John Zickefoose, Marty Eastman and Dick Mueller invade Jim Yochum's laboratory in the fall play "The Mouse That Roared."

Leonard Wibberley's "The Mouse That Roared" was presented November 14 by a cast of 32 under the direction of Mr. Vernon Barnes. The little Duchy of Grand Fenwick, having wine as its currency, was in financial straits and decided to wage war on the United States. Then Grand Fenwick would be rehabilitated when the United States won, but a turnabout with a Q bomb let the Duchy rule the world. The big nations were then forced to mingle peacefully.

"Once on a Time a War," a play adopted from a story by A. A. Milne, was performed for children at the Hope Martin Theatre February 14 and 15. King Merriwig went off to war leaving his daughter, Princess Hyacinth, to govern Euralia. A fascinating countess, hearing Prince Udo was coming to aid the princess, cast a spell on him. Wigg's last wish on her magic ring saved the prince, but he fell victim to the charm of the countess. Duke Coronel, a friend of the prince, popped into the Princess' window, and it was love at first sight. The play, directed by Miss Ruth Wilson, won a Division I rating at the State contest at Williamsburg. Members of the cast were Jane Ebbing, Hugh Hastings, Sundee Hickman, Dick Mueller, Spencer Parsons, Karol Yeager and John Zickefoose.

Jim Langlas boards the plane to Hibbing, Minnesota.

Jim Langlas represented West High at the 27th Bellamy Award Presentation at Hibbing High School in Hibbing, Minnesota. Jim gave a speech and presented a '68 *Wahawk*, a model John Deere tractor and a silver tray to the high school as symbols of friendship. Others attending the presentation from Waterloo included Dr. George Hohl, superintendent of schools; Mr. William Gibson, former principal of West and a member of the Bellamy Advisory Board; Mr. Harold Burshtan, principal of West; and Mr. Ernest Barker, director of curriculum and instruction.

West High won the Bellamy Award in 1962 for its call to colors before assemblies, flag raising ceremony at the beginning of the school day, achievement of alumni, and good citizenship in school and community.

West's auditorium foyer is dedicated to Francis Bellamy. Letters and telegrams from Dwight D. Eisenhower, Lyndon B. Johnson and John F. Kennedy are displayed in the case, along with portraits of Francis Bellamy and Dr. Margarette S. Miller, director of the award. West High's Bellamy flag is also on display.

Jim Langlas explained the history of the award and the articles in the display to sophomore homerooms.

West Shows Exemplary Citizenship and Patriotism

Rick Allenstein

Mark Dieckmann

The appearance of 832 boys at Camp Dodge signaled the opening of the 30th annual Boys' State. West's representatives were Rick Allenstein and Mark Dieckmann. The American Legion sponsored event provided experience in the democratic government by giving Iowa high school boys an opportunity to govern a mythical fifty-first state composed of thirteen counties and twenty-six cities. Two political parties, the Federalist Party and the Nationalist Party, vied for offices.

The citizens of Boys' State were responsible for all functions of city, county and state offices, both elected and appointed. Candidates for elective offices were nominated by party caucus at the city and county level with a nominating convention at state level.

Rick Allenstein and Mark Dieckmann are among the boys at Camp Dodge near Des Moines.

'Wild Wild West' Variety Show Captivates Audience

Tom Flint, emcee, expertly weaves the acts of "Wild Wild West" into a memorable Variety Show.

"What shall we do for an opening number that hasn't been done before?" asked the Swing Chorus as the 26th annual Variety Show "Wild Wild West" began. Over 450 students participated April 17, 18 and 19 in the show emceed by Tom Flint.

The 40 members of the Swing Chorus sang and danced to "Hard-Hearted Hannah," "A Man and a Woman," "Look of Love" and "Gotta' Get Agoin'!" The Male Chorus sang "By the Time I Get to Phoenix" and "King of the Road." A girls' quartet sang a medley of songs including "Windy" and "Goin' Out of My Head." A boys quartet sang "Rigoletto."

The Swing Band, directed by Dave Garms, played for 26 of the 29 acts. The Swing Band was featured playing "Golden Horns," "The Cat," "Reciprocity," and "Hindustan."

The dance lines ranged from the precision of the opening, tap, soft shoe and can can lines to the satirical "Waltz of the Flowers" by the senior boys.

The pastel-colored props were designed by Scott Ross.

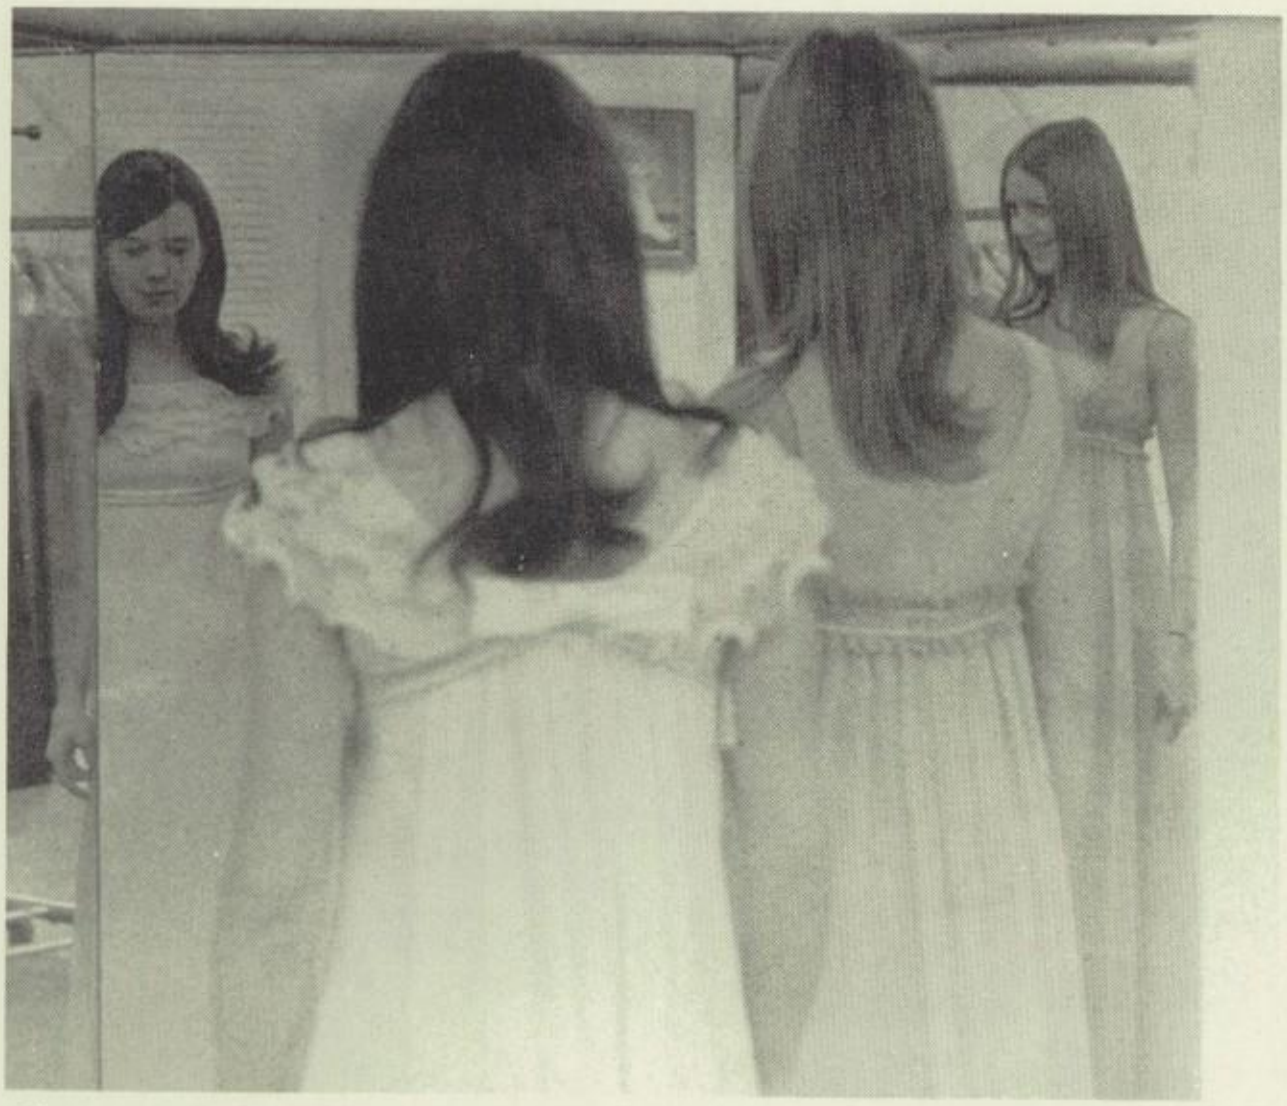
Prom and Graduation End 1969 School Year

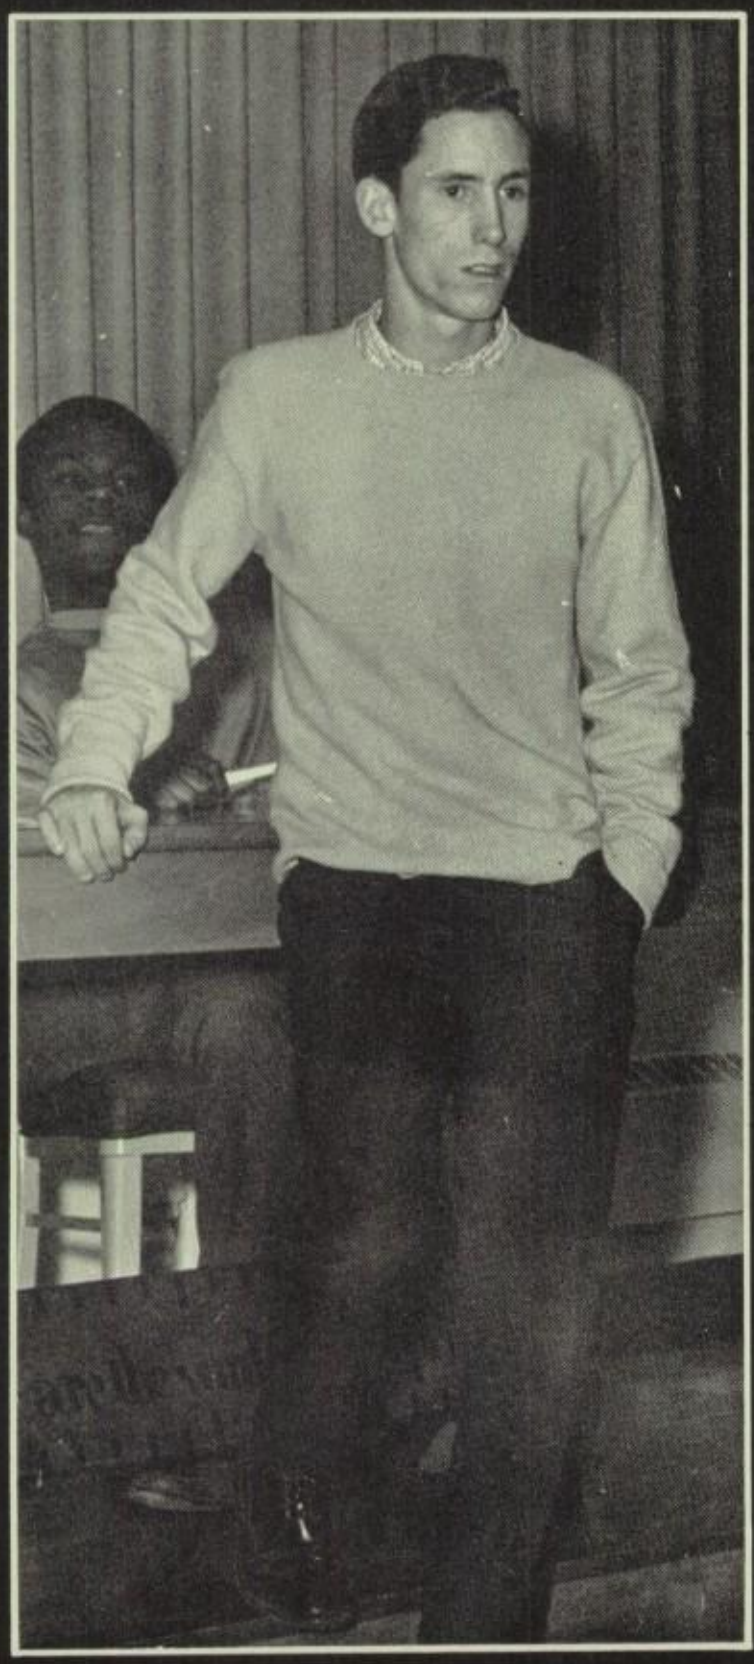


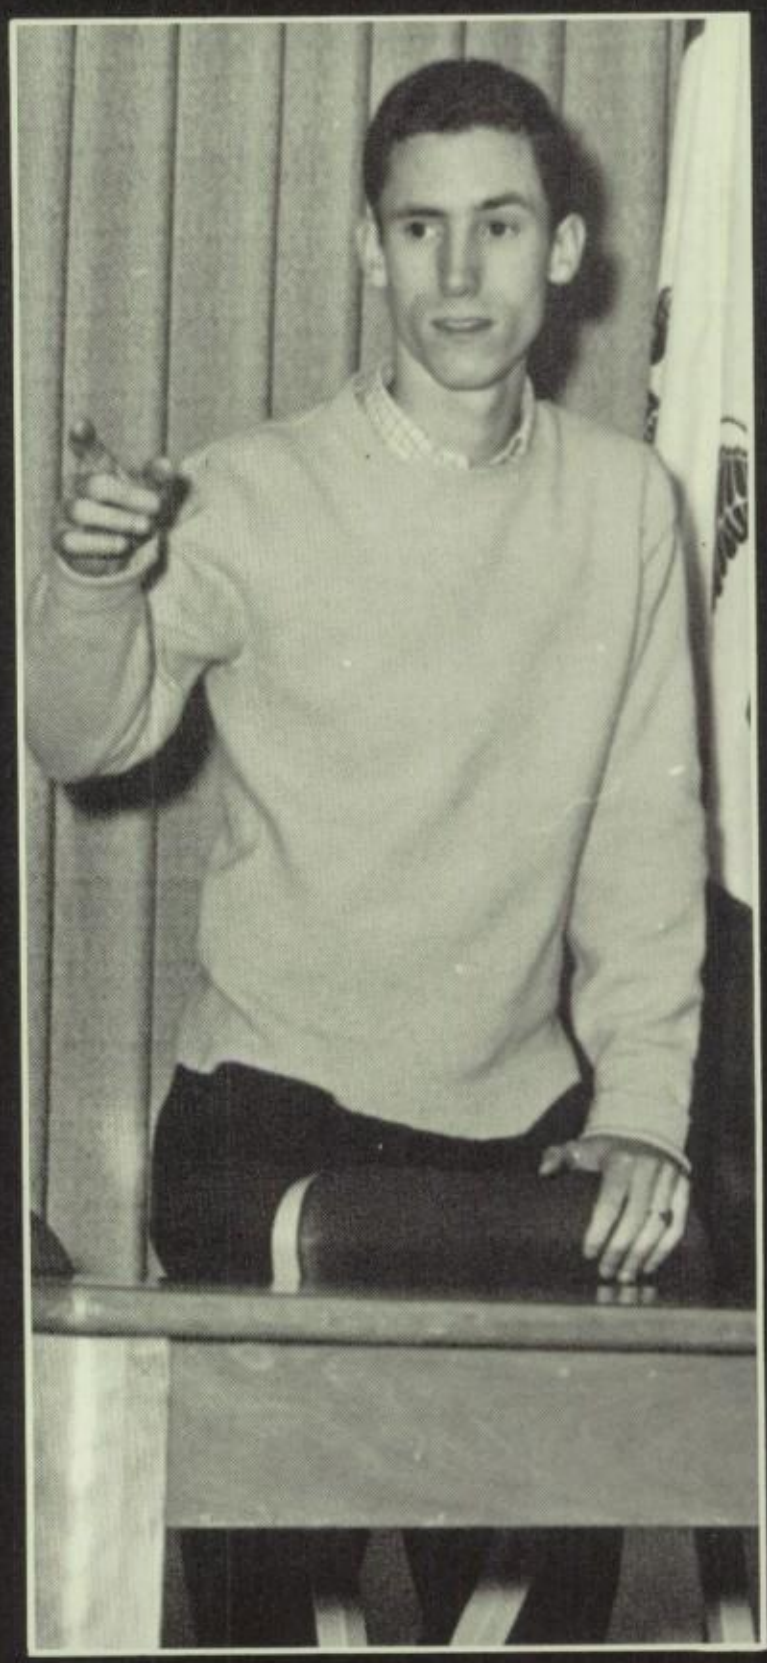
Mirrors reflect the happiness of Michele Baker and Linda Smith after finding a fashionable formal for the prom.

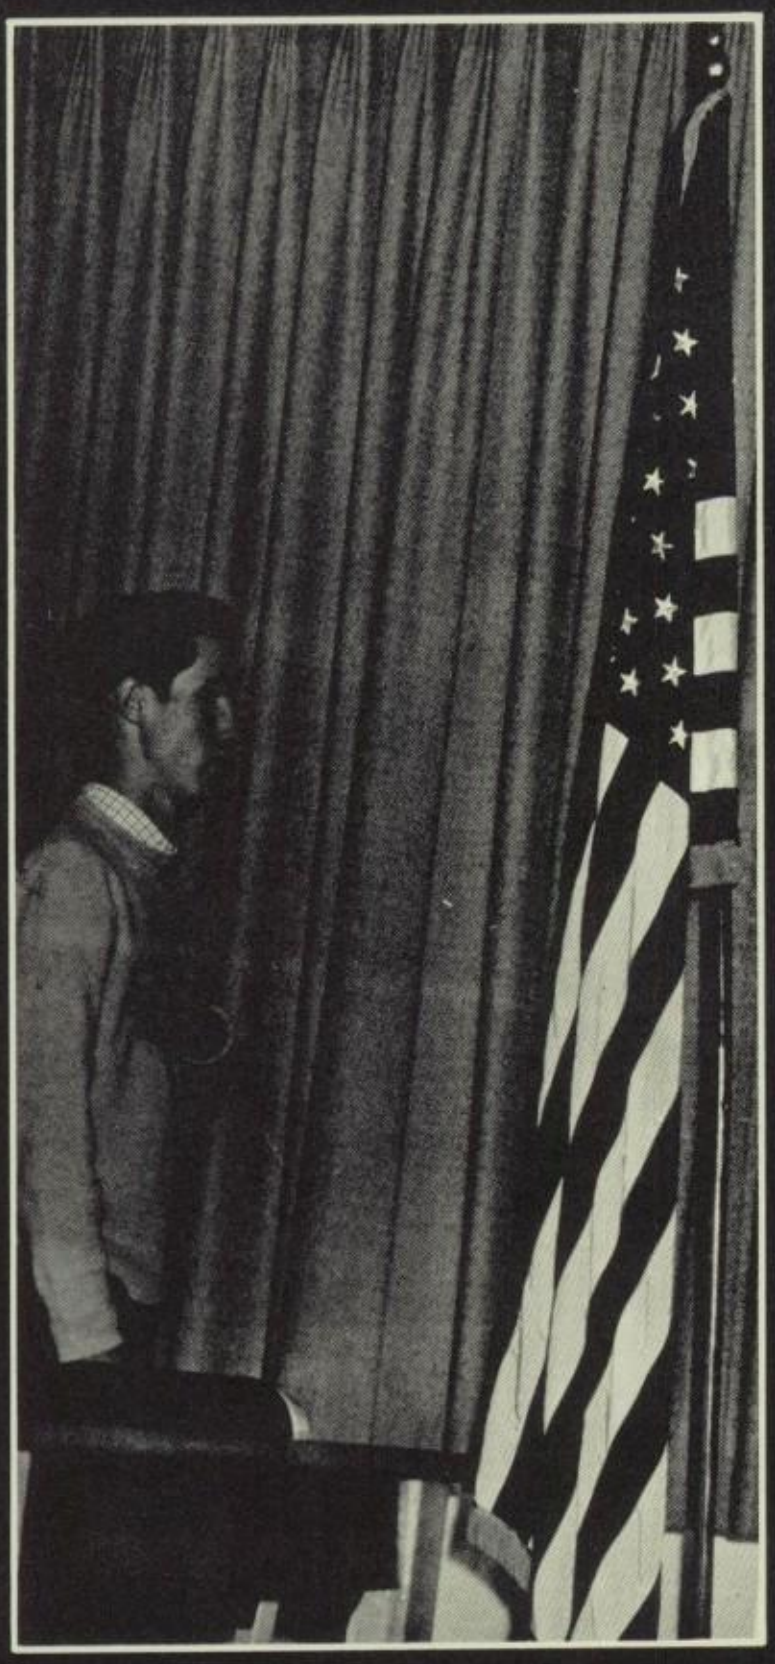
Juniors and seniors celebrated the year's end by attending Prom May 16 in the West High gym. Prom was considered the social highlight of the year and was the only formal dance sponsored by the school.

Some 600 seniors spent their last day in high school classes May 29. Baccalaureate was June 1 in the West High Auditorium. On June 3 seniors were graduated in McEloy Auditorium.

The graduates ended an important phase of their life and began another. They left behind their accomplishments that others might benefit and looked into the future of infinite possibilities.







ORGANIZATIONS

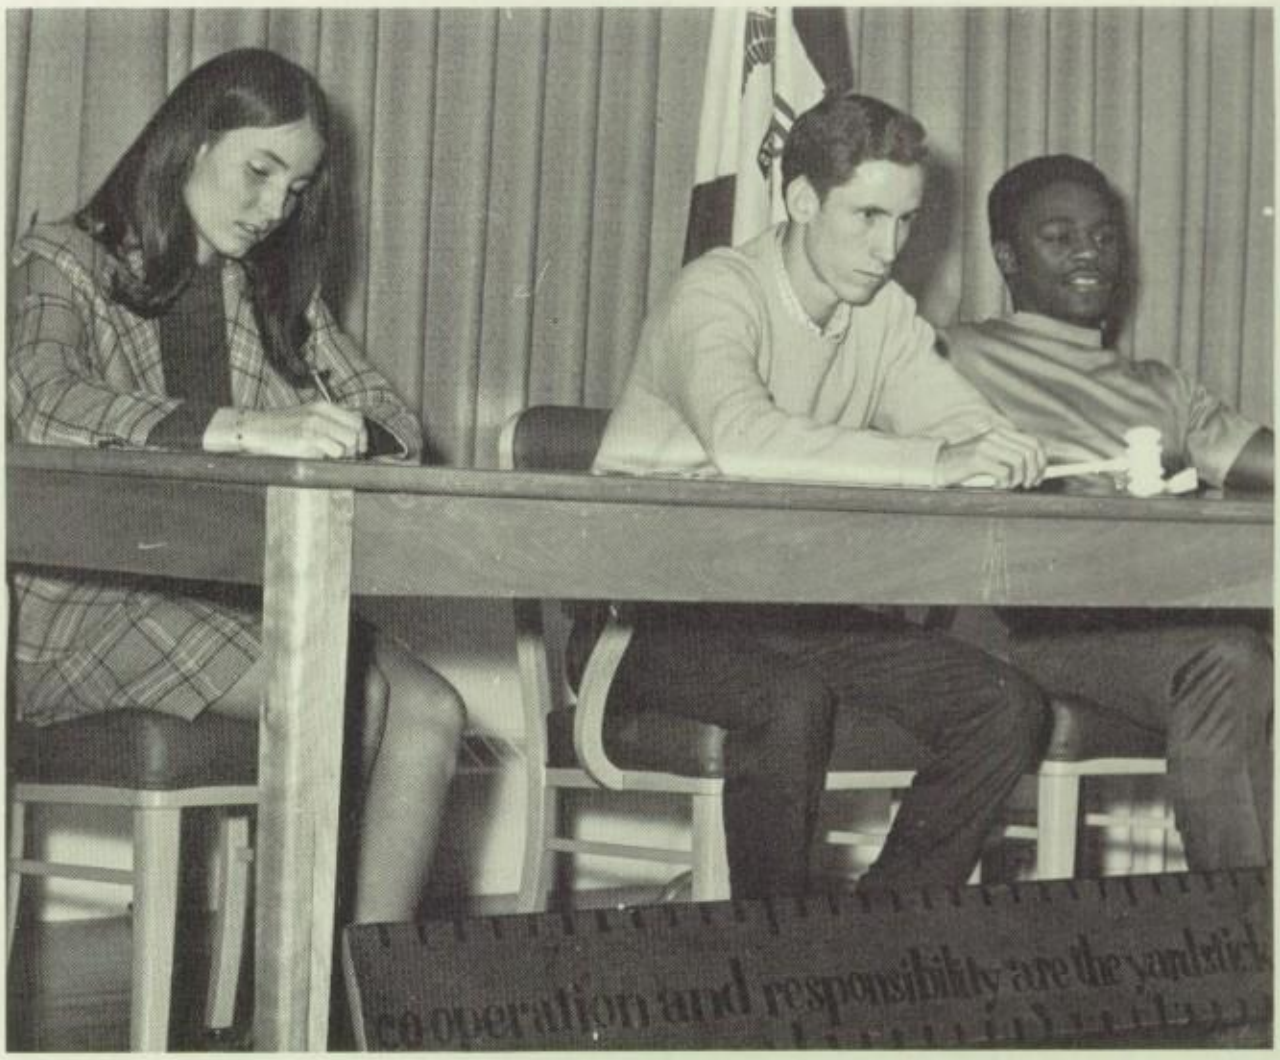
Editor Barb Starkey

Senate Gives Wahawks Voice in School Policies

Representing the student body, the Senate met every three weeks to review school policies, to discuss current school problems or to work on one of the Senate-sponsored activities. The Senate sponsored the student-faculty basketball game to raise money for the foreign exchange student. On "pick-up day" senators gathered to clean school grounds and parking lots. Prom and inter-city exchange day were also sponsored by Senate.

Senators worked through seven committees: social, auditorium, citizenship, scholarship, safety, extra-curricular and welfare. Chairmen of committees worked with homeroom committees.

All senior homeroom representatives were eligible for the office of president. Junior representatives sought the vice-presidency. Secretary was chosen from sophomore representatives.



First semester officers are Laurlie Langlas, secretary; James Langlas, president and Charles Martin, vice-president.

Performing their duty of decorating the Christmas tree are student directors Dave Haynes, Jeff Swinehart, Janet Smiley and Norma Steege.

Before school and during lunch hour, student directors Dave Haynes, Janet Smiley, Norma Steege and Jeff Swinehart acted as hosts and hostesses in the Student Center. Being in charge of the Student Center they had many responsibilities and duties. They mingled with students and made visitors and new Wahawks feel at home.

Besides buying and playing records, the directors helped plan and decorate for social events and controlled displays and sales which took place in the Student Center. Student directors were chosen on the basis of dependability and leadership.

Honor Club Recognizes Scholastic Achievement

To become a member of Honor Club, a student must have a 3.5 grade point average for three consecutive semesters. Sophomores were accepted only second semester.

Debate Offers Experience in Logic and Speaking

Dave Garms and Art Reynolds question a remark while Tom Flint and Tom Turnbull prepare their rebuttal.

The debate team combatted opponents in Iowa high schools and colleges in twelve tournaments. The topic was, Resolved: That the United States establish a compulsory system of service by citizens. Among the matches was the state tournament in the Iowa High School Speech Association. District and state tournaments were held in the Iowa Forensic League along with individual events.

Four varsity debaters presented an assembly for the student body. Art Reynolds and Dave Garms, the affirmative team, introduced the concept of a system to combat drug addiction. The negative was given by Tom Flint and Tom Turnbull.

Sophomore debaters consisted of ten two-man teams. They debated a separate topic, Resolved: That the United States establish a system of electing the President and Vice-president directly by the people.

The teams were coached by Mr. Raymond Jorgensen.

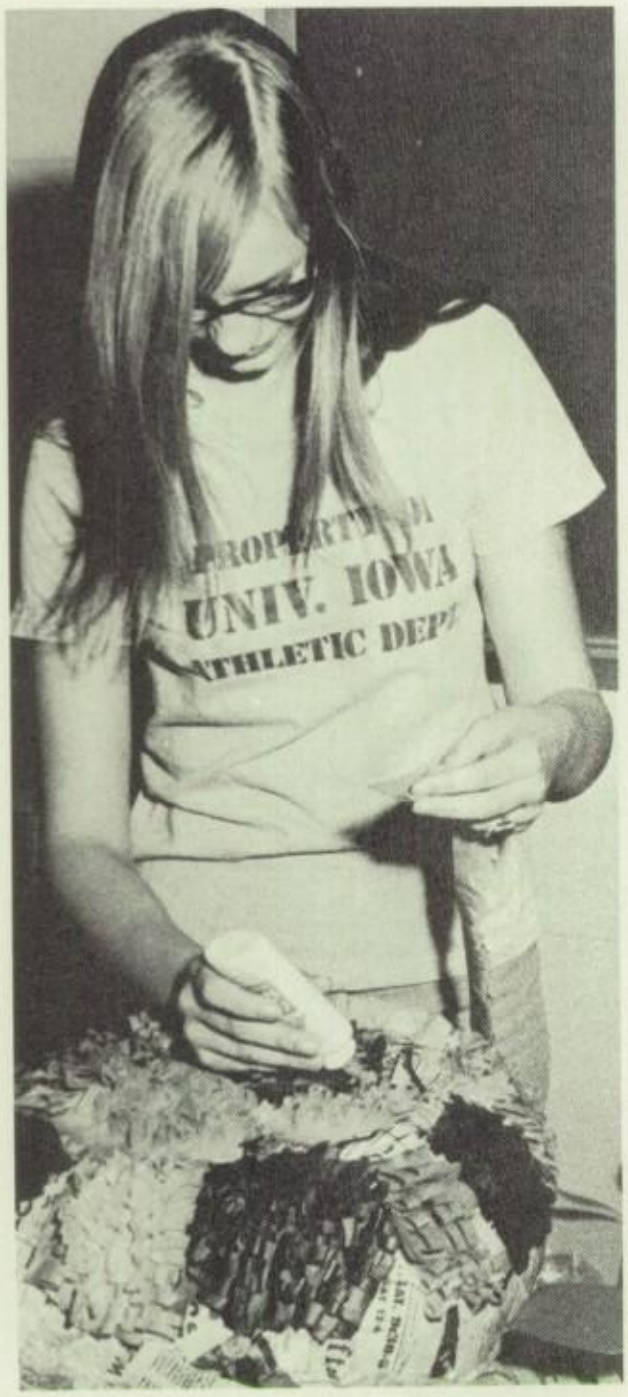
Language Clubs Learn and Experience



Karol Pedersen helps with a piñata.

Members of Spanish Club held a piñata Christmas party in the Student Center. The party was the climax of weeks of work—designing and making two piñatas and baking Mexican candies and cookies.

A potluck with all Spanish foods was given by members. An exchange student from Argentina spoke to the group about her country.

Mrs. Gloria Trager, Mr. Maynard Reynolds and Miss Sharyn Boylan served as faculty advisors.

Through films and speakers German Club members learned much about Germany. Their activities included Christmas caroling and a party afterward, a German dinner, a sledding party, a party at Mr. Mokricky's and a trip to the Amana Colonies.

Sponsors were Mr. Victor Mokricky and Miss Sharyn Boylan.

AFS Encourages International Understanding

A potluck picnic was given at the beginning of the year by the American Field Service Club honoring the foreign exchange student Torill Sandvik, Edie Worch and Philippe Notte. The foreign exchange students gave a panel discussion later in the year.

Kathy Lippold spoke to the group after returning from New Zealand. Randy Michalicek showed slides of his trip to England.

Fund-raising projects included pencil and bake sales. Members also sold Christmas cards.

Junior students were interviewed for the American Abroad Program. Candidates chosen were Sally Titus and Betty Briggs.

Mrs. Dorothea Huebner was faculty advisor for the club.

Chatting in the student center are West High's three exchange students: Edie Worch, Ingelheim, Rheinland-Pfalz, Germany, sponsored by the International Christian Youth Exchange; Philippe Notte, Paris, France, sponsored by the Youth for Understanding Program, and Torill Sandvik, Rjukan, Norway, sponsored by the American Field Service.

The election year provided various opportunities for the members of Young Republicans and Young Democrats to back their parties. These activities included putting up signs supporting candidates and helping maintain booths at the Dairy Cattle Congress. They also canvassed and passed out party literature. On Election Day phone calls were made reminding voters of their privilege to vote.

Working together these organizations sponsored a mock election at West High. Registration for voting was required in homerooms prior to the actual voting. United States President Richard Nixon, Vice-president Spiro Agnew, Senator Harold Hughes and Third District Representative H. R. Gross were elected. The voting of West students correctly predicted the outcome of these offices in the national polls.

The beginning of a new political year offered the opportunity for the two organizations to travel to Des Moines to observe the legislature in action.

The advisors for this year were Mr. Jerry Kramer, Young Republicans, and Mr. Edwin Stone, Young Democrats.

Nurses Club Learns About Medical Vocations

Future Nurses served their community by working as candy stripers in the hospitals. "Joy" girls were girls helping in the Parkview Nursing Home. Other girls gave time to help in the clinic at Allen Memorial Hospital the last Saturday of every month.

Speakers helped give members an idea of possible careers. A dental assistant from the Hawkeye Technical School spoke to the group. A Registered Nurse and two student nurses also came to speak to the girls.

At Christmas instead of having a party, the club decided to sponsor a project. Members addressed over two thousand envelopes for a community service group.

Mrs. Mildred Sheldahl and Mrs. Linda Ernster supervised the club.

VICA and DECA Promote Community Involvement

VICA, Vocational Industrial Clubs of America, held several breakfasts for its members. Vocational Education students were eligible for membership.

Members spent many hours preparing for a delegation assembly in Ames. A political convention and mock election were held.

Officers attended a leadership conference in Des Moines. Individual contests were held, and chapter displays were exhibited.

Faculty advisor for VICA was Mr. Thomas Arthur.

DECA, Distributive Education Clubs of America, was one of the few clubs in Iowa to have one-hundred per cent membership on a state and national level. Members were students of the Distributive Education classes at West.

A state leadership conference was held in Des Moines. Members participated in individual contests. If a student received a number one rating in any contest, he became eligible for national competition in Atlantic City, New Jersey.

Other speakers spoke about prayers, testimonies and The Scriptures. The club held an indoor gym party in the fall. A picnic was the spring activity.

Mr. Karl Anderson was the faculty advisor for the club.

Service projects were among the activities of the Y-Teens. Members filled eleven boxes with such articles as soap, magazines, books and presweetened kool-aid to send to soldiers in Viet Nam. The club also sponsored a family at Christmas. The girls held a formal at the Elks' Club in the spring.

The club was under the direction of Mrs. Joyce Kloostra.

The Hi-Y Club held their meetings twice a month. A representative from Alcoholics Anonymous and a probation officer spoke to the club. In December four of the members visited Des Moines to participate in the model legislature.

Mr. Lewis Huff acted as the advisor for this club.

WAHAWK Captures Year in Pictures and Words

Capturing the 1968-69 school year in words and pictures was the goal of the annual staff in producing the *Wahawk*. To promote yearbook sales staff members went in pairs to homerooms giving talks, trying to give students the idea they "just couldn't live without a *Wahawk*." The results were worth the effort; 1750 *Wahawks* were sold.

The staff attended workshops in Sumner and Des Moines to learn the "do's and don'ts" in publishing an annual.

When deadlines rolled around, always too soon, in November, December, January, February, March and April, the staff sent its materials to Inter-Collegiate Press in Kansas City. The 176 page *Wahawk* was again collegiate size.

Miss Karen Hilgemann served as faculty advisor for the *Wahawk*.

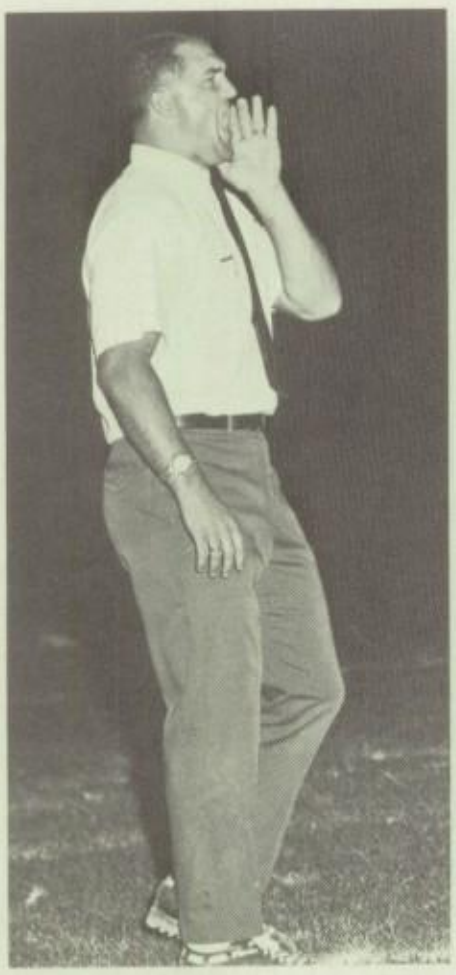
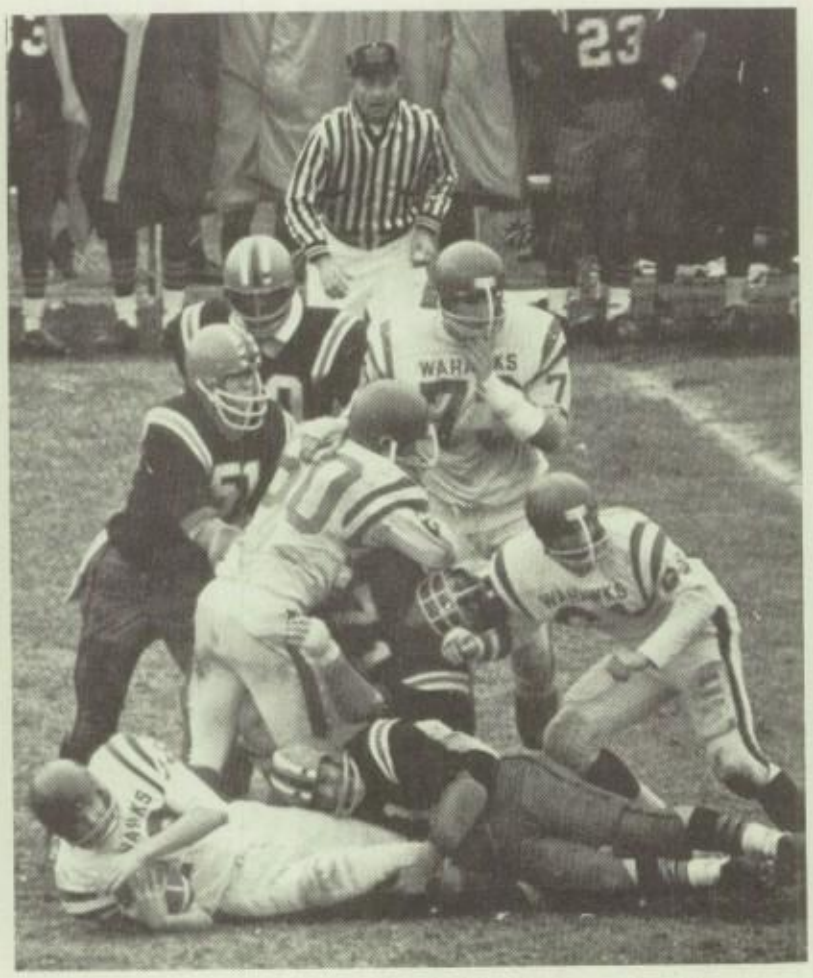
Wahawks Rank Fifth in State, Third



Wahawk Head Coach Dan Boals, with short-sleeved shirt in thirty degree weather, shouts advice to his defensive backfield.



Quarterback Mike Knox gets tackled on a short keeper play, but something else seems to hold the attention of the Wahawk line.

West's "Cinderella" football team, under the guidance of new head coach Dan Boals, bounced off a disheartening loss to Mason City to come within one point of number-one-ranked East High in the traditional season-ender, and earned a fifth place ranking in the final Associated Press Poll.

The Wahawk gridders were headed for what looked like another mediocre season after beating Columbus 27-19 and losing to Mason City 12-7, when they scored three touchdowns in the final period to overcome a fifteen-point deficit and to defeat Marshalltown 26-21.

That victory was followed by a 29-14 upset of Fort Dodge, a team which was in the Top Ten the previous week. This triumph brought West to the attention of sports writers around the state. The next week West escaped underrated Newton 13-7, but that

game was overshadowed by a 53-7 pounding of Cedar Falls in the following contest.

The stage was set for the Wahawk Homecoming with eleventh-ranked West taking on fourth-ranked Ames. The Wahawks pulled the biggest upset in the state by trouncing Ames 33-7, producing West's happiest homecoming in many years and boosting the Wahawks into the Top Ten.

They then downed Waverly 41-7, extending their winning streak to six games; however, they fell one point short in a determined second-half comeback to lose 28-27 to East after trailing 14-7 at the half.

At the end of the season, the Wahawks had compiled a 7-2 record, received a fifth place state ranking, placed third in the newly-organized Big Eight and placed second in the County Big Four.

Sophomore Grid Record Assures Future Varsity Success

Split-end Forry Smith snares a pass from sophomore quarterback Steve Kahler.

The sophomore grid squad earned the best record for a sophomore team since 1962, compiling a 6-1 record to capture the County Big Four crown by a half game over East Waterloo.

The next-to-last game of the season produced the only loss, a 25-7 victory for the East Trojans, who avenged an earlier 13-0 loss to the champion Wahawks.

The squad kicked off the season with a 32-12 trouncing of Columbus, and three days later they crushed Marshalltown 33-6. They then produced a string of three straight shutouts, 13-0 over East, 6-0 over Cedar Falls and 20-0 in a rematch against Columbus. After the 25-7 defeat by East, the sophomores bounced back to stomp Dunkerton's varsity team, 32-6, in the last game of the season.

The squad outscored its opponents 143-49 in seven games with over half of the opponents' points being scored in one game. Sophomore coach Dick Purdy said, "This team has as much desire and natural ability as any team I have had the privilege to coach. They should be excellent varsity players, and because this is one of the largest groups we've ever had, we're looking forward to this added depth to the varsity team."

Sophomore fullback Mike Schafer bursts through the line for a big gain.

Pekin Invitational

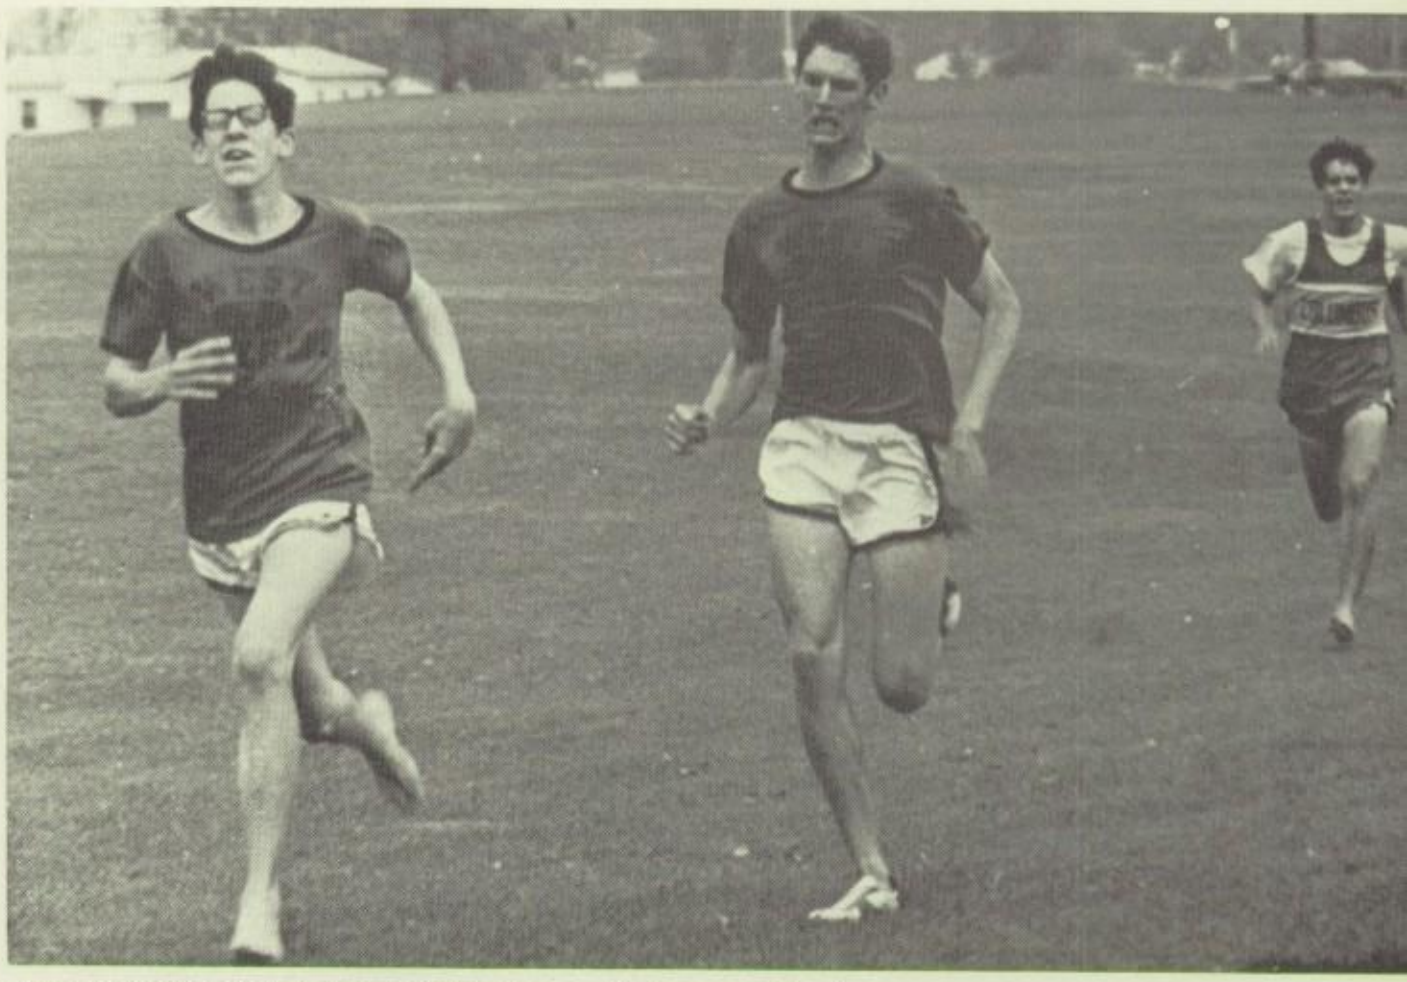
West High's Cross Country team climaxed its season this year by capturing the Pekin-Packwood Invitational Team Championship.

This year West ran its first night mile meet at half time during the West-Columbus football game, defeated East, placed second in the East-West-Columbus Triangular and finished 13th in the state mile meet.

In the two mile, the runners defeated East twice and placed 13th out of 22 schools in the state meet at Marshalltown.

The last week was spent preparing for the Pekin three-mile Invitational. West runners placed first, third, ninth and tenth with Dave Thomas and John Ertl first and third respectively.

Ten runners received letters. Seniors receiving letters were captains Randy Bearbower and Dave Thomas, and Jon Delaney, Jim Langlas and Jerry Marshall. Underclassmen Tom Daniels, John Ertl, Bill Salow, Dean Yarrington and Chip Meier are expected to form the nucleus of next year's squad.



Teammates Tom Felcher and Tim Bredow outdistance a Columbus runner.

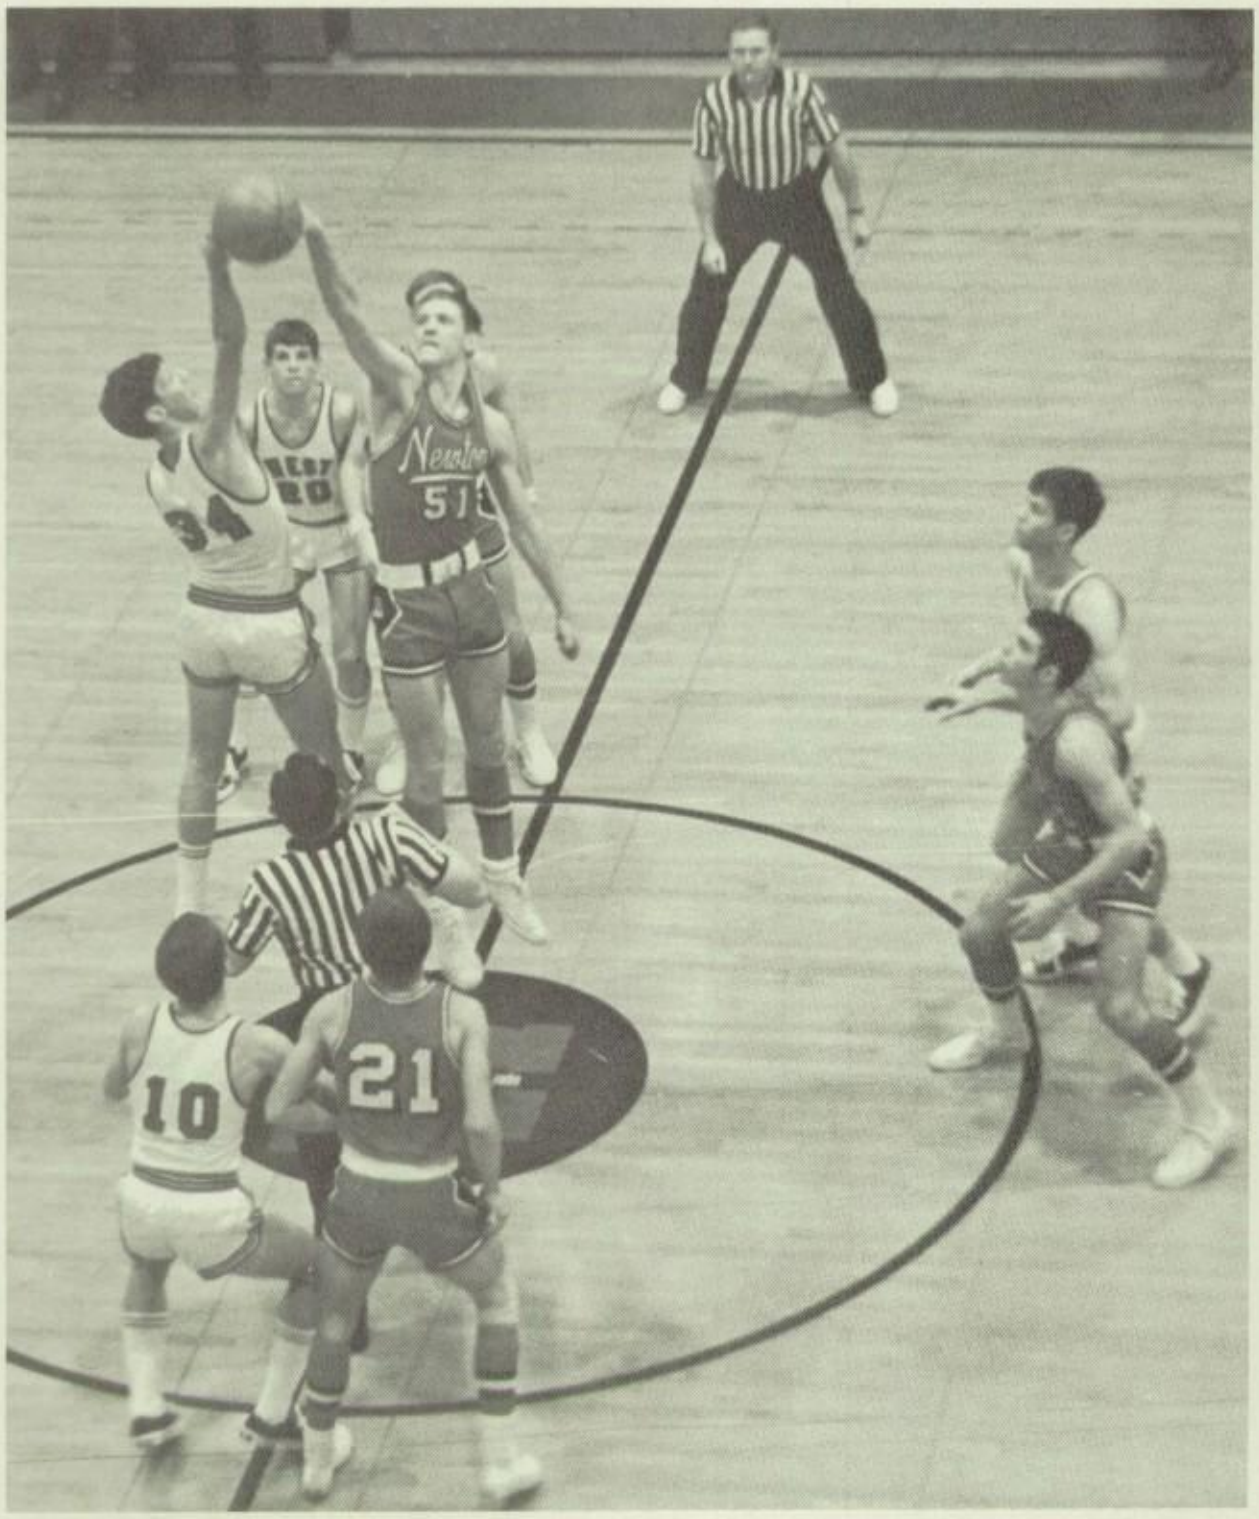
Cagers Exhibit Drive and Enthusiasm,



Junior center Tim Bredow stretches for the ball during the second half tip-off of the West-Newton game. West lost the contest to the Cardinals 50-48.

Driving in to score against a Fort Dodge defender is Fred Seger, West's leading scorer.

The Wahawk cagers could not seem to shoot out of their slump this season, but the 2-16 record was not as disappointing as it sounds. New head coach Larry Dick basically started from scratch at the beginning of the season in the slow process of rebuilding a winning team.

The team was composed mostly of underclassmen, with Randy Miller and John Brecunier the only seniors on the team. Along with Miller, Coach Dick started three juniors and sophomore Steve Kahler, one of the best guards in the Big Eight. Ace free-throw shooter Fred Seger was one of the high-scoring players in what could be considered the toughest conference in the state.

West's schedule afforded some extremely tough competition for the relatively young and inexperienced team. The season opened with a loss to eventual state champion Cedar Rapids Washington. Other Wahawk opponents rated very high in the state poll during the course of the season included East, Columbus and Cedar Falls, the other three members of the County Big Four, as well as Marshalltown and Waverly.

The climax of the season was a 52-49 victory over the Big Eight rival Ames, a team that competed in the state tournament following regular season play.

Grapplers Avenge Two Losses with State Crown

Under the superb coaching of Mr. Bob Siddens and his assistant Mr. Don Huff, the Wahawk grapplers captured the Class AAA state wrestling championship by the most impressive margin ever, completely outclassing all other schools in the field.

The dual meet season was only "mediocre" as West dual seasons go. The team lost to Cedar Rapids Jefferson and Cedar Falls before catching fire with commanding victories over East Waterloo, Cedar Rapids Washington and Dubuque Senior and finishing the dual meet season with a 12-2 record.

Through tremendous individual efforts, the team first took the sectional title on the march to the state championship by qualifying nine wrestlers for the district tournament. Seven of the nine enabled West to take district by advancing to state. All seven wrestlers placed in the state tournament and brought West the most unprecedented state championship in the history of the tourney. Four individual champions shattered standing records.

The individual champions were seniors Dave Moses and Bill Andrew at 120 and 133, respectively. Juniors Rich Binek, the only undefeated Wahawk wrestler, at 165 and Reece Wilson at 175 were West's other two state champs. Junior Craig Wickham at 145 and sophomore Rod Harp at 127 took third place in their weights and junior Mark Fox took fourth place at 154 pounds.

The state championship brought convincing revenge for the two dual meet losses. West's 65 points were far above second-place Cedar Falls' 38 and Jefferson's third-place 35 points. The team championship was Coach Bob Siddens' eighth state championship. Because only two of the seven state placers were seniors, even better results may be expected next year.

Archers Aim for Success, Post 9-1 Season Record

Coach Bernard Eyestone's archers wound up the season with a 9-1 record, eight of the contests being postal exchange meets. By this method each team shot the required rounds on the scheduled day and the results of the top four scorers for each school were mailed to the opponents.

The last two meets were live matches against Holy Trinity High School of Chicago. The Wahawks avenged an earlier home loss to Holy Trinity by beating them 1231-1087 in Chicago.

Captain Loren Leisinger, the team's top scorer and Bruce Perrin Award Winner, was the only letterman who will not be returning next year. The six returning lettermen are Casey Culver, Dave Ellingson, Tom Geerlings, Pat Landau, Henry Maidan and Bruce Smith.

Tankers Break 8 Records; Send 11 Men to State

Coach Gene Carey and his eleven state qualifiers patiently await their departure to the state swimming meet in Ames, where the Wahawks finished thirteenth.

Eight of the ten school swimming records were broken by the 1969 team. Under the leadership of Coach Gene Carey and Assistant Coach Dan Boals, the Wahawks won the NUHS Invitational and placed third in the J-Hawk Relays, Ames Relays and the Big Eight Conference meet.

Fifty-yard freestyler Jack Hiatt won a fourth place at the state meet and holds the school record with a time of 0:23.0. Larry Grimm placed fifth in the state in the 200-yard freestyle and holds the school record with a time of 2:19.3.

The 400-yard state freestyle relay team of Steve Anderson, Lynn Geiger, Larry Grimm and Jack Hiatt placed fifth with a school record-breaking time of 3:33.2.

School records of 1969 are also held by Larry Grimm in the 200-yard freestyle, Glenn Amundson in the 400-yard freestyle and Tom Wilcox in the 100-yard breaststroke.

Steve Anderson served as captain of the Wahawk swimmers. In district competition West finished fourth and advanced eleven men to the state tournament. The team completed the season with a dual meet record of 9-2.

For the first time this year sophomore meets were held. The sophomore tankers enjoyed an undefeated season.

Baseball Team Anticipates Another Winning Season

After one of the most successful baseball seasons, Coach Zebe Larson is looking forward to another excellent year. With a nucleus of nine returning lettermen, things looked very bright with the opening spring practice.

With a twenty game schedule ahead, the team started practice in early April. Good over-all speed and well-balanced hitting are the strong points of Coach Larson's twenty-seven man squad.

Last year's team ended high school competition with a 17-2 record. They were crowned Big Four city champs and claimed the Big Six crown after convincing victories over other Big Six schools.

In Legion competition, last year's squad earned a 14-4 record and again were crowned city champs along with being district, intra-district and state champions. In regional play at Williston, North Dakota the team was defeated twice in double elimination play.

Individual honors earned by team members of last year's squad went to pitcher Dan Van Syoc, second team All-state, and Craig Schaffnit, first team All-state.

Anchoring the mile relay team, senior Dave Haynes sprints toward the finish line. The Wahawks won the event and went on to defeat Fort Dodge 67-55.

Sophomore Squads

Almost two-thirds of last year's best performers in a team that won the district title have been joined by members of a sophomore team that broke ten school records in their class to bring the promise of another outstanding track season.

Last year's track team ended the season with a 4-2 dual meet record. After a first place performance by the mile relay team in the Dickenson Relays, the Wahawk track team won the Comet Relays and Mohawk Relays and placed fourth in the Jay Hawk Relays. After winning the county Big Four and finishing second in the Big Six Conference, the track team won the district meet and finished the season placing eleventh at the state meet.

This year's team opened the season with easy victories over Cedar Falls, U.N.I. High and Reinbeck. The Indoor season ended with a thirteenth place finish in the state meet.

The outdoor season began April 8 at Charles City where West took top honors over Mason City and the host team. The Wahawks lost their first dual meet by 72-70 to Dubuque Senior. The team then began preparation for a series of relay meets beginning with the Dickenson Relays in Cedar Falls.

Tennis meets, consisting of six single and three double matches, were held at West for the girls and at Byrnes Park for the boys.

The first practice for the girls' team was called a week before Easter by Mr. Don Huff, the new girls' tennis coach. Hoping for another undefeated season, the girls' team was backed by returning letter winners Janice Thomson, and Julie Gray, who was a member of the state championship doubles team in 1968.

Looking for another successful season, the boys' team started workouts March 10. Coached by Mr. William Lane, the team was led by sophomore Barry Young and returning lettermen Bob Smith, Fred Seger and Dale Einwalter, state doubles runner-up in 1968.

Hoping to improve on last year's victorious record, West's golfers, coached by Don Narveson, opened the 1969 season with an impressive victory over Harding of St. Paul on April 10 and 11.

Last year's team placed second in Sectional competition, first in District action and twelfth in State play. Four of the five members of last year's state tournament team, seniors Dan Coffin, Steve Mast and Mark Shelton, and junior Rick Shepherd, were back. Other returning lettermen included Randy Miller, Steve Slivken and Mike Zegarac.

The golfers managed a 8-3 dual record last year. In triangular competition the golfers won one, tied for first and placed second. The Wahawks won a quadrangular against Cedar Rapids Jefferson, Cedar Rapids Washington and East Waterloo.

The girls' golf team, under the direction of new coach Larry Dick, opened its season on April 9. Four returning letter winners, Julie Follette, Linda Elsberry, Kathy McCoy and Sue Zellhoefer, gave the team added incentive for a victorious season. After last year's disappointing record, Coach Dick and his team were looking forward to a more successful season.

Donkey Basketball Highlights Varsity Club Projects

The Varsity Club continued in the tradition of past West clubs. Under the direction of Mr. Richard Dotson, aided the first semester by Mr. Robert Siddens, Mr. Don Huff and Mr. Dan Boals, the club sponsored many projects.

Candy was sold at the home football games, wrestling meets and basketball games by the Varsity Club. The club sponsored its annual Christmas wreath sale and introduced the school to Donkey Basketball.

The club is composed of letter winners, and new members are admitted only after being voted in by the members. The officers were elected at the beginning of the year and served the entire year. The new members were initiated at the annual fall hayride by working, while original members enjoyed themselves.

In previous years the club has purchased equipment such as weights for the winter and spring weight-lifting programs, film projectors for the athletic department and the red blazers worn by the athletic teams on trips out of town.

Former members who indicate the quality of the membership of Varsity Club are Dan Gable, Jack Rule and Don Perkins. In addition, the athlete of the year is usually a member of the Varsity Club.

Senior Janet Smiley rides a donkey for the girls' team during the donkey basketball game.

We, the Seniors, Pursue Our Duty as Leaders

The Spirit of '69 will live on through the accomplishments of the Senior Class, although next fall their 620 faces will be missing from the halls of West High. Senior talent heightened the success of music, speech, drama and journalism. In varsity-squad battles, senior athletes formed a victorious vanguard.

Jim Langlas represented West High at Hibbing, Minnesota, the new Bellamy Award School. Kathy Lippold spent the first semester of her senior year in New Zealand as an exchange student. Foreign students attending West High were Torill Sandvik from Norway, Philippe Notte from France and Edith Worch from Germany.

Among the yearly events were the Prom, Homecoming and the Variety Show, but the excitement of the present did not prevent seniors from looking into the future. Academic and vocational planning included college visitations, applications, scholarships, job-hunting and in-school training. Seven seniors were National Merit Scholarship Semifinalists, and twenty-five students received a Letter of Commendation.

Three years of school-time memories crossed the minds of seniors as they attended Baccalaureate and Commencement. Thus far, they had followed similar paths toward graduation. Each now will choose his separate way into the future.

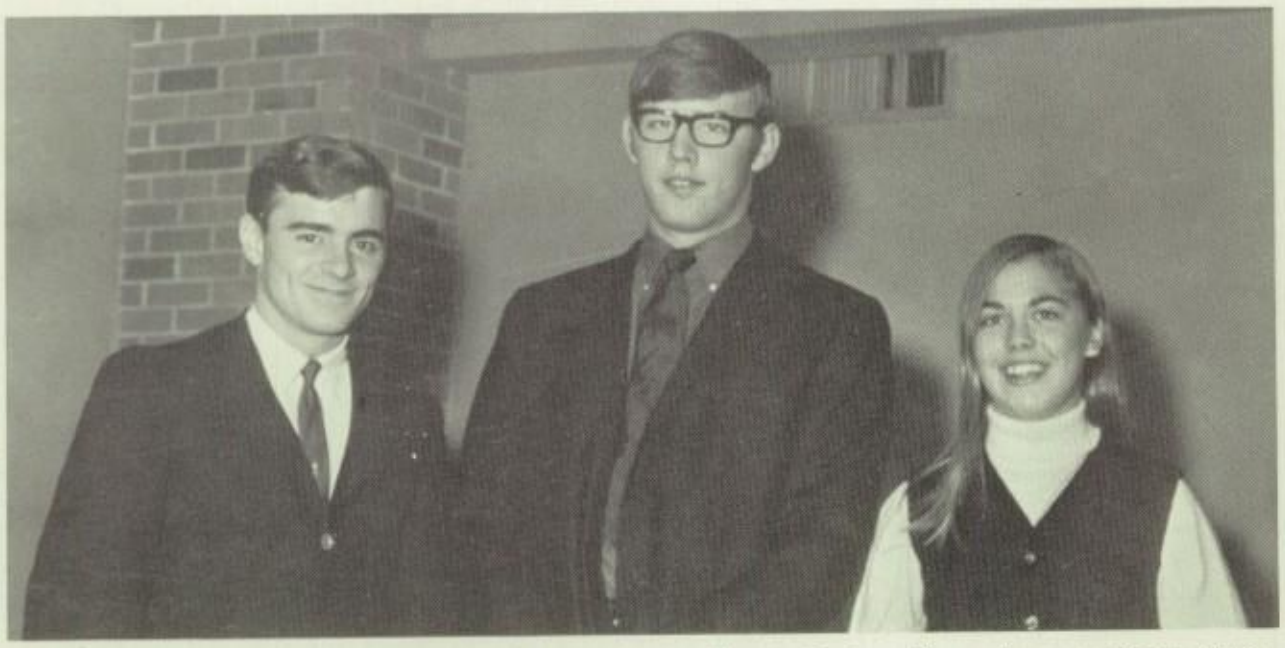
We, the Juniors, Accept Responsibility



Looking ahead with enthusiasm are junior class officers: Burton Rice, vice-president; Mike Knox, president; and Kris Runstrom, secretary.

The junior class contributed much to a successful football team, clubs, band, orchestra, speech and debate in 1968-69. Junior homerooms sold tickets in competition to have the 1969-70 foreign exchange student in their homeroom next year.

American History and Government I and English III team teaching provided a change in atmosphere for the students every three or four weeks. The study of American Literature in English classes coordinated with American History.

Juniors bound for college took qualifying tests: ACT, SAT, PSAT and NMSQT. Juniors attended "What Job For Me Night" to help in making decisions about future vocations. Guidance counselors aided all students in scheduling and future occupation planning.

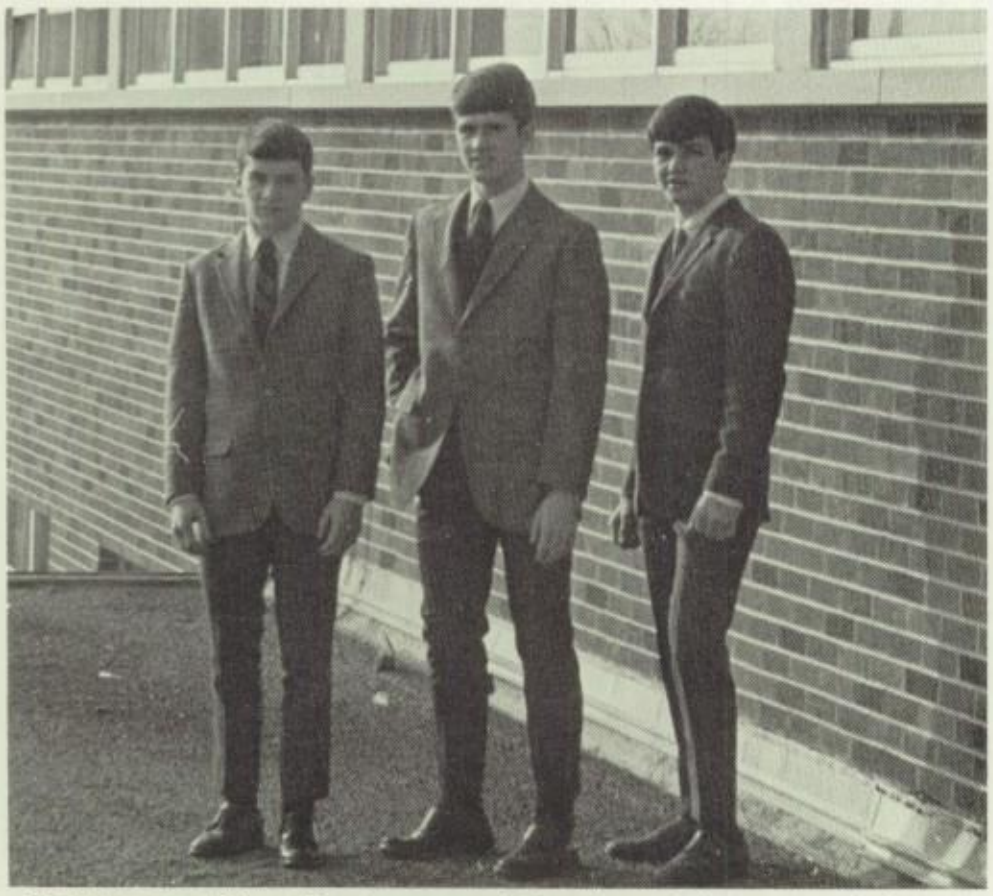
We, the Sophomores, Learn West's Ways



Brad Reeves, Steve Bearbower and Dan Lee climb to great heights in their year as sophomore class officers.

Coming to a school as large as West High was a thrilling experience for sophomores. They had to adjust to seeing dozens of new faces each day passing through the halls, meeting bigger dimensions in school spirit and participating in harder and more challenging classroom sessions.

The first few weeks of school were spent becoming oriented. In homeroom sophomores learned the rules and traditions of West. The Bellamy showcase was explained to each homeroom.

Sophomores in chorus, band and orchestra were a talented addition to the music department. Their new faces and ideas enlivened school clubs. Sophomores were skilled athletes and enthusiastic spectators, encouraged by the eight sophomore cheerleaders.

Sophomores always seemed to be everywhere. With quantity and quality, they learned and participated as they carried on West's traditions and prepared for the future.
